The Client further acknowledges that Intertek will rely on such information, samples or other related documents and materials provided by the Client (without any duty to confirm or verify the accuracy or completeness thereof) in order to provide the Services;
 - (d) that any samples provided by the Client to Intertek will be shipped pre-paid and will be collected or disposed of by the Client (at the Client's cost) within thirty (30) days after testing unless alternative arrangements are made by the Client. In the event that such samples are not collected or disposed of by the Client within the required thirty (30) days period, Intertek reserves the right to destroy the samples, at the Client's cost;
 - (e) that any information, samples or other related documents (including without limitation certificates and reports) provided by the Client to Intertek will not, in any circumstances, infringe any legal rights (including Intellectual Property Rights) of any third party.
- 4.2 In the event that the Services provided relate to any third party, the Client shall cause any such third party to acknowledge and agree to the provisions in this Agreement and the Proposal prior to and as a condition precedent to such third party receiving any Reports or the benefit of any Services.
- 4.3 The Client further agrees:
 - (a) to co-operate with Intertek in all matters relating to the Services and appoint a manager in relation to the Services who shall be duly authorised to provide instructions to Intertek on behalf of the Client and to bind the Client contractually as required;
 - (b) to provide Intertek (including its agents, sub-contractors and employees), at its own expense, any and all samples, information, material or other documentation necessary for the execution of the Services in a timely manner sufficient to enable Intertek to provide the Services in accordance with this Agreement. The Client acknowledges that any samples provided may become damaged or be destroyed in the course of testing as part of the necessary testing process and undertakes to hold Intertek harmless from any and all responsibility for such alteration, damage or destruction;
 - (c) that it is responsible for providing the samples/equipment to be tested together, where appropriate, with any specified additional items, including but not limited to connecting pieces, fuse-links, etc;
 - (d) to provide instructions and feedback to Intertek in a timely manner;
 - (e) to provide Intertek (including its agents, sub-contractors and employees) with access to its premises as may be reasonably required for the provision of the Services and to any other relevant premises at which the Services are to be provided;

 - (g) to notify Intertek promptly of any risk, safety issues or incidents in respect of any item delivered by the Client, or any process or systems used at its premises or otherwise necessary for the provision of the Services;
 - (h) to inform Intertek in advance of any applicable import/export restrictions that may apply to the Services to be provided, including any instances where any products, information or technology may be exported/imported to or from a country that is restricted or banned from such transaction;
 - (i) in the event of the issuance of a certificate, to inform and advise Intertek immediately of any changes during the term of the certificate which may have a material impact on the accuracy of the certification;
 - (j) to obtain and maintain all necessary licenses and consents in order to comply with relevant legislation and regulation in relation to the Services;
 - (k) that it will not use any Reports issued by Intertek pursuant to this Agreement in a misleading manner and that it will only distribute such Reports in their entirety;
 - (l) in no event, will the contents of any Reports or any extracts, excerpts or parts of any Reports be distributed or published without the prior written consent of Intertek (such consent not to be unreasonably withheld) in each instance; and
 - (m) that any and all advertising and promotional materials or any statements made by the Client will not give a false or misleading impression to any third party concerning the services provided by Intertek.
- 4.4 Intertek shall be neither in breach of this Agreement nor liable to the Client for any breach of this Agreement if and to the extent that its breach is a direct result of a failure by the Client to comply with its obligations as set out in this Clause 4. The Client also acknowledges that the impact of any failure by the Client to perform its obligations set out herein on the provision of the Services by Intertek will not affect the Client's obligations under this Agreement for payment of the Charges pursuant to Clause 5 below.

5. CHARGES, INVOICING AND PAYMENT

- 5.1 The parties agree that the Services are provided on the terms and subject to the conditions set out or referred to in this Agreement, and that this Agreement shall take precedence over any terms and conditions which the Client has provided or may in the future provide to Intertek, whether in a purchase order or any other document.
- 5.2 Unless acceptance of this Agreement by the Client occurs at an earlier time, submission of samples or any other testing material from the Client to Intertek shall be deemed to be conclusive evidence of the Client's acceptance of this Agreement.
- 5.3 The Client shall pay Intertek the charges set out in the Proposal, if applicable, or as otherwise contemplated for provision of the Services (the Charges).
- 5.4 If pricing factors, such as salaries and/or rates are subject to change between the conclusion date of the Contract and the completion date of the Contract, Intertek has the right to adjust the Charges accordingly.
- 5.5 The Charges are expressed exclusive of any applicable taxes. The Client shall pay any applicable taxes on the Charges at the rate and in the manner prescribed by law, on the issue by Intertek of a valid invoice.
- 5.6 The Client agrees that it will reimburse Intertek for any expenses incurred by Intertek relating to the provision of the Services and is wholly responsible for any freight or customs clearance fees relating to any testing samples.
- 5.7 The Charges represent the total fees to be paid by the Client for the Services pursuant to this Agreement. Any additional work performed by Intertek will be charged on a time and material basis.
- 5.8 Intertek shall invoice the Client for the Charges and expenses, if any. For Services provided over the course of a period of greater than thirty (30) days the Client agrees that at the end of each calendar month Intertek will issue an invoice for the cost of the Services provided in the month. A final invoice will be issued on the date of the completion of the Services.
- 5.9 The Client is required to pay all invoiced amounts without any deduction, discount or set-off no later than thirty (30) days after the invoice date. No deduction for bank charges incurred can be made. Payments, which must be denominated in the currency indicated in the invoice, must be made by means of money transfer to a bank account designated by Intertek.
- 5.10 Intertek will issue an electronic invoice to the Client. An electronic invoice may be sent by email and will be deemed to have been delivered to the Client upon receipt of such email. Intertek is under no obligation to fulfil any request by the Client for a paper copy to be sent by post. Any invoice sent by post will include a €25 administrative fee and the paper invoice must be paid by the Client within the credit terms referred to in 5.9 above.
- 5.11 If Intertek believes that the Client's financial position and/or payment performance justifies such action, Intertek has the right to demand that the Client immediately furnish security or additional security in a form to be determined by Intertek and/or make an advance payment. If the Client fails to furnish the desired security, Intertek has the right, without prejudice to its other rights, to immediately suspend the further execution of all or any part of the Services, and any Charges for any part of the Services which has already been performed shall become immediately due and payable.
- 5.12 If the Client fails to pay within the period referred to in 5.9 above, it is in default of its payment obligations and this Agreement after having been reminded by Intertek at least once that payment is due within a reasonable period. In that case, the Client is liable to pay interest on the credit balance with effect from the date on which payment became due until the date of payment. The interest rate applied is deemed to be the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate plus 5%. In addition, all collection costs incurred after the Client's default, both judicial and extrajudicial, are for the Client's account. The extrajudicial costs are set at an amount equal to least 10% of the principal plus interest, without prejudice to Intertek's right to collect the actual extrajudicial costs in excess of this amount. The judicial costs consist of all costs incurred by Intertek, even if they exceed the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate.
- 5.13 If the Client objects to the contents of the invoice, all details of the objection must be raised with Intertek within seven (7) days of receipt of electronic invoice, otherwise the invoice will be deemed to have been accepted. Any such objections do not exempt the Client from its obligation to pay within the period referred to in 5.9 above.
- 5.14 Any request by the Client for certain information to be included in or appended to the invoice must be made at the time of setting out the Proposal. A later request by the Client for changes to the agreed format of the invoice or supplementary information will not discharge the Client from its obligation to pay within the period referred to in 5.9 above. Intertek reserves the right to charge a €25 administrative fee per invoice for issuing incorrect or multiple copies of invoices and/or incorrect format or structure from that agreed in the Proposal. Intertek maintains the right to reject such an invoicing amendment request and such a rejection by Intertek of the Client's request will not exempt the Client from its obligation to pay within the period referred to in 5.9 above.
- 5.15 If actions by the Client delay completion of the Services, Intertek has the right to invoice the Client for the cost of all Services provided to date. In such a scenario the Client agrees to pay this invoice within thirty (30) days of the invoice date.

A waiver of any breach shall not constitute a waiver of any subsequent breach.
- 16.4 No waiver of any right or remedy under this Agreement shall be effective unless it is expressly stated to be a waiver and communicated to the other party in writing.
- 16.5 **Whole Agreement.** This Agreement and the Proposal contain the whole agreement between the parties relating to the transactions contemplated by this agreement and supersedes all previous agreements, arrangements and understandings between the parties relating to those transactions or that subject matter.  - (d) that any samples provided by the Client to Intertek will be shipped pre-paid and will be collected or disposed of by the Client (at the Client's cost) within thirty (30) days after testing unless alternative arrangements are made by the Client. In the event that such samples are not collected or disposed of by the Client within the required thirty (30) days period, Intertek reserves the right to destroy the samples, at the Client's cost;
 - (e) that any information, samples or other related documents (including without limitation certificates and reports) provided by the Client to Intertek will not, in any circumstances, infringe any legal rights (including Intellectual Property Rights) of any third party.
- 4.2 In the event that the Services provided relate to any third party, the Client shall cause any such third party to acknowledge and agree to the provisions in this Agreement and the Proposal prior to and as a condition precedent to such third party receiving any Reports or the benefit of any Services.
- 4.3 The Client further agrees:
 - (a) to co-operate with Intertek in all matters relating to the Services and appoint a manager in relation to the Services who shall be duly authorised to provide consent to Intertek in relation to the Services and to bind the Client contractually as required;
 - (b) to provide Intertek (including its agents, sub-contractors and employees), at its own expense, any and all samples, information, material or other documentation necessary for the execution of the Services in a timely manner sufficient to enable Intertek to provide the Services in accordance with this Agreement. The Client acknowledges that any samples provided may become damaged or be destroyed in the course of testing as part of Intertek's testing process and undertakes to hold Intertek harmless from any and all responsibility for such alteration, damage or destruction;
 - (c) that it is responsible for providing the samples/equipment to be tested together, where appropriate, with any specified additional items, including but not limited to connecting pieces, fuse-links, etc;
 - (d) to provide instructions and feedback to Intertek in a timely manner;
 - (e) to provide Intertek (including its agents, sub-contractors and employees) with access to its premises as may be reasonably required for the provision of the Services and to any other relevant premises at which the Services are to be provided;
 - (f) prior to Intertek attending any premises for the performance of the Services, to inform Intertek of all applicable health and safety rules and regulations and other relevant information relating to the premises at which the Services are to be provided;
 - (g) to notify Intertek promptly of any risk, safety issues or incidents in respect of any item delivered by the Client, or any process or systems used at its premises or otherwise necessary for the provision of the Services;
 - (h) to inform Intertek in advance of any applicable import/export restrictions that may apply to the Services to be provided, including any instances where any products, information or technology may be exported/imported to or from a country that is restricted or banned from such transaction;
 - (i) in the event of the issuance of a certificate, to inform and advise Intertek immediately of any changes during the term of the certificate which may have a material impact on the accuracy of the certification;
 - (j) to obtain and maintain all necessary permits and consents to comply with relevant legislation and regulation in relation to the Services;

 - (l) in no event, will the contents of any Reports or any extracts, excerpts or parts of any Reports be distributed or published without the prior written consent (such consent to be irrevocably withheld) in each instance; and
 - (m) that any and all advertising and promotional materials or any statements made by the Client will not give a false or misleading impression to any third party concerning the services provided by Intertek.
- 4.4 Intertek shall be neither in breach of this Agreement nor liable to the Client for any breach of this Agreement if and to the extent that its breach is a direct result of a failure by the Client to comply with its obligations as set out in this Clause 4. The Client also acknowledges that the impact of any failure by the Client to perform its obligations set out herein on the provision of the Services by Intertek will not affect the Client's obligations under this Agreement for payment of the Charges pursuant to Clause 5 below.

5. CHARGES, INVOICING AND PAYMENT

- 5.1 The parties agree that the Services are provided on the terms and subject to the conditions set out or referred to in this Agreement, and that this Agreement shall have precedence over any terms and conditions which the Client has provided or may in the future provide to Intertek, whether in a purchase order or any other document.
- 5.2 Unless acceptance of this Agreement by the Client occurs at an earlier time, submission of samples or any other testing material from the Client to Intertek shall be deemed to be conclusive evidence of the Client's acceptance of this Agreement.
- 5.3 The Client shall pay Intertek the charges set out in the Proposal, if applicable, or as otherwise contemplated for provision of the Services (the Charges).
- 5.4 If pricing factors, such as salaries and/or rates are subject to change between the conclusion date of the Contract and the completion date of the Contract, Intertek has the right to adjust the Charges accordingly.
- 5.5 The Charges are expressed exclusive of any applicable taxes and the Client shall pay any applicable taxes on the Charges at the rate and in the manner prescribed by law, on the issue by Intertek of a valid invoice.
- 5.6 The Client agrees that it will reimburse Intertek for any expenses incurred by Intertek relating to the provision of the Services and is wholly responsible for any freight or customs clearance fees relating to any testing samples.
- 5.7 The Charges represent the total fee to be paid by the Client for the Services pursuant to this Agreement. Any additional work performed by Intertek will be charged on a time and material basis.
- 5.8 Intertek shall invoice the Client for the Charges and expenses, if any, for Reports provided over the course of a period of greater than thirty (30) days the Client agrees that at the end of each calendar month Intertek will issue an invoice for the cost of the Services provided in the month. A final invoice will be issued on the date of the completion of the Services.
- 5.9 The Client is required to pay all invoiced amounts without any deduction, discount or set-off no later than thirty (30) days after the invoice date. No deduction for bank charges incurred can be made. Payments, which must be denominated in the currency indicated in the invoice, must be made by means of money transfer to a bank account designated by Intertek.
- 5.10 Intertek will issue an electronic invoice to the Client. An electronic invoice may be sent by email and will be deemed to have been delivered to the Client upon receipt of such email. Intertek is under no obligation to fulfil any request by the Client for a paper copy to be sent by post. Any invoice sent by post will include a E25 administration fee and the paper invoice must be paid by the Client within the credit terms referred to in 5.9 above.
- 5.11 If Intertek believes that the Client's financial position and/or payment performance justifies such action, Intertek has the right to demand that the Client immediately furnish security or additional security in a form to be determined by Intertek and/or make an advance payment. If the Client fails to furnish the desired security, Intertek has the right, without prejudice to its other rights, to immediately suspend the further execution of all or any part of the Services, and any Charges for any part of the Services which has already been performed shall become immediately due and payable.
- 5.12 If the Client fails to pay within the period referred to in 5.9 above, it is in default of its payment obligations and this Agreement after having been reminded by Intertek at least once that payment is due within a reasonable period. In that case, the Client is liable to pay interest on the credit balance with effect from the date on which the payment became due until the date of payment. The interest rate applied is deemed to be the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate plus 5%. In addition, all collection costs incurred after the Client's default, both judicial and extrajudicial, are for the Client's account. The extrajudicial costs are set at an amount equal to least 10% of the principal plus interest, without prejudice to Intertek's right to collect the actual extrajudicial costs in excess of this amount. The judicial costs comprise all costs incurred by Intertek, even if they exceed the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate.
- 5.13 If the Client objects to the contents of the invoice, details of the objection must be raised with Intertek within seven (7) days of receipt of electronic invoice, otherwise the invoice will be deemed to have been accepted. Any such objections do not exempt the Client from its obligation to pay within the period referred to in 5.9 above.
- 5.14 Any request by the Client for certain information to be included in or appended to the invoice must be made at the time of setting out the Proposal. A later request by the Client for changes to the agreed format of the invoice or supplementary information will not discharge the Client from its obligation to pay within the period referred to in 5.9 above. Intertek reserves the right to charge a E25 administration fee per invoice for any additional or supplementary information detail, format or structure from that agreed in the Proposal. Intertek maintains the right to reject such an invoicing amendment request and such a rejection by Intertek of the Client's request will not exempt the Client from its obligation to pay within the period referred to in 5.9 above.
- 5.15 If actions by the Client delay completion of the Services, Intertek has the right to invoice the Client for the cost of all Services provided to date. In such a scenario the Client agrees to pay this invoice within thirty (30) days of the invoice date.

 - (d) that any samples provided by the Client to Intertek will be shipped pre-paid and will be collected or disposed of by the Client (at the Client's cost) within thirty (30) days after testing unless alternative arrangements are made by the Client. In the event that such samples are not collected or disposed of by the Client within the required thirty (30) days period, Intertek reserves the right to destroy the samples, at the Client's cost;
 - (e) that any information, samples or other related documents (including without limitation certificates and reports) provided by the Client to Intertek will not, in any circumstances, infringe any legal rights (including Intellectual Property Rights) of any third party.

 - (b) to provide Intertek (including its agents, sub-contractors and employees), at its own expense, any and all samples, information, material or other documentation necessary for the execution of the Services in a timely manner sufficient to enable Intertek to provide the Services in accordance with this Agreement. The Client acknowledges that any samples provided may be destroyed in the course of testing, as part of the necessary testing process and undertakes to hold Intertek harmless from any and all responsibility for such alteration, damage or destruction;
 - (c) that it is responsible for providing the samples/equipment to be tested together, where appropriate, with any specified additional items, including but not limited to connecting pieces, fuse-links, etc;
 - (d) to provide instructions and feedback to Intertek in a timely manner;

 - (i) in the event of the issuance of a certificate, to inform and advise Intertek immediately of any changes during the term of the certificate which may have a material impact on the accuracy of the certification;
 - (j) to obtain and maintain all necessary permits and consents in order to comply with relevant legislation and regulation in relation to the Services;
 - (k) that it will not use any Reports issued by Intertek pursuant to this Agreement in a misleading manner and that it will only distribute such Reports in their entirety;
 - (l) in no event, will the contents of any Reports or any extracts, excerpts or parts of any Reports be distributed or published without the prior written consent of Intertek (which consent may be unreasonably withheld) in each instance; and
 - (m) that any and all advertising and promotional materials or any statements made by the Client will not give a false or misleading impression to any third party concerning the services provided by Intertek.
- 4.4 Intertek shall be neither in breach of this Agreement nor liable to the Client for any breach of this Agreement if and to the extent that its breach is a direct result of a failure by the Client to comply with its obligations as set out in this Clause 4. The Client also acknowledges that the impact of any failure by the Client to perform its obligations set out herein on the provision of the Services by Intertek will not affect the Client's obligations under this Agreement for payment of the Charges pursuant to Clause 5 below.

5. CHARGES, INVOICING AND PAYMENT

- 5.1 The parties agree that the Services are provided on the terms and subject to the conditions set out or referred to in this Agreement, and that this Agreement shall take precedence over any terms and conditions which the Client has provided or may in the future provide and Intertek, whether in a purchase order or any other document.
- 5.2 Unless acceptance of this Agreement by the Client occurs at an earlier time, submission of samples or any other testing material from the Client to Intertek shall be deemed to be conclusive evidence of the Client's acceptance of this Agreement.
- 5.3 The Client shall pay Intertek the charges set out in the Proposal, if applicable, or as otherwise contemplated for provision of the Services (the Charges).
- 5.4 If pricing factors, such as salaries and/or rates are subject to change between the conclusion date of the Contract and the completion date of the Contract, Intertek has the right to adjust the Charges accordingly.
- 5.5 The Charges expressly exclude any of any applicable taxes. The Client shall pay any applicable taxes on the Charges at the rate and in the manner prescribed by law, on the issue by Intertek of a valid invoice.
- 5.6 The Client agrees that it will reimburse Intertek for any expenses incurred by Intertek relating to the provision of the Services and is wholly responsible for any freight or customs clearance fees relating to any testing samples.
- 5.7 The Charges represent the total fees to be paid by the Client for the Services pursuant to this Agreement. Any additional work performed by Intertek will be charged on a time and material basis.
- 5.8 Intertek shall invoice the Client for the Charges and expenses, if any. For Services provided over the course of a period of greater than thirty (30) days the Client agrees that at the end of each calendar month Intertek will issue an invoice for the cost of the Services provided in the month. A final invoice will be issued on the date of the completion of the Services.
- 5.9 The Client is required to pay all invoiced amounts without any deduction, discount or set-off no later than thirty (30) days after the invoice date. No deduction for bank charges incurred can be made. Payments, which must be denominated in the currency indicated in the invoice, must be made by means of money transfer to a bank account designated by Intertek. The payment became due until the date of payment. The interest rate applied to Intertek will be the joint stock commercial bank for Foreign Trade of Vietnam (Vietcombank) base rate plus 5%. In addition, all collection costs incurred after the Client's default, both judicial and extrajudicial, are for the Client's account. The extrajudicial costs are set at an amount equal to least 10% of the principal plus interest, without prejudice to Intertek's right to collect the actual extrajudicial costs incurred by Intertek, even if they exceed the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate.
- 5.13 If the Client objects to the contents of the invoice, details of the objection must be raised with Intertek within seven (7) days of receipt of electronic invoice, otherwise the invoice will be deemed to have been accepted. Any such objections do not exempt the Client from its obligation to pay within the period referred to in 5.9 above.
- 5.14 Any request by the Client for certain information to be included in or appended to the invoice must be made at the time of setting out the Proposal. A later request by the Client for changes to the agreed form of the invoice or supplementary information will not discharge the Client from its obligation to pay within the period referred to in 5.9 above. Intertek reserves the right to delete, modify or restructure the information contained in the invoice for the purpose of protecting its confidential information. Intertek maintains the right to reject such an invoicing amendment request and such a rejection by Intertek of the Client's request will not exempt the Client from its obligation to pay within the period referred to in 5.9 above.
- 5.15 If actions by the Client delay completion of the Services, Intertek has the right to invoice the Client for the cost of all Services provided to date. In such a scenario the Client agrees to pay this invoice within thirty (30) days of the invoice date.

 - (e) to provide Intertek (including its agents, sub-contractors and employees) with access to its premises as may be reasonably required for the provision of the Services and to any other relevant premises at which the Services are to be provided;
 - (f) prior to Intertek attending any premises for the performance of the Services, to inform Intertek of all applicable health and safety rules and regulations and any relevant requirements that may apply to any relevant premises at which the Services are to be provided;
 - (g) to notify Intertek promptly of any risk, safety issues or incidents in respect of any item delivered by the Client, or any process or systems used at its premises or otherwise necessary for the provision of the Services;
 - (h) to inform Intertek in advance of any applicable import/export restrictions that may apply to the Services to be provided, including any instances where any products, information or technology may be exported/imported to or from a country that is restricted or banned from such transaction;
 - (i) in the event of the issuance of a certificate, to inform and advise Intertek immediately of any changes during the term of the certificate which may have a material impact on the accuracy of the certification;
 - (j) to obtain and maintain all necessary licences and consents in order to comply with relevant legislation and regulation in relation to the Services;
 - (k) that it will not use any Reports issued by Intertek pursuant to this Agreement in a misleading manner and that it will only distribute such Reports in their entirety;
 - (l) in no event, will the contents of any Reports or any extracts, excerpts or parts of any Reports be distributed or published without the prior written consent of Intertek (such consent not to be unreasonably withheld) in each instance; and
 - (m) that any and all advertising and promotional materials or any statements made by the Client will not give a false or misleading impression to any third party concerning the services provided by Intertek.
- 4.4 Intertek shall be neither in breach of this Agreement nor liable to the Client for any breach of this Agreement if and to the extent that its breach is a direct result of the Client's failure to comply with its obligations as set out in this Clause 4. The Client also acknowledges that the impact of any failure by the Client to perform its obligations set out herein on the provision of the Services by Intertek will not affect the Client's obligations under this Agreement for payment of the Charges pursuant to Clause 5 below.

5. CHARGES, INVOICING AND PAYMENT

- 5.1 The parties agree that the Services are provided on any terms and subject to the conditions set out or referred to in this Agreement, and that this Agreement shall take precedence over any terms and conditions which the Client has provided or may in the future provide to Intertek, whether in a purchase order or any other document.
- 5.2 Unless acceptance of this Agreement by the Client occurs at an earlier time, submission of samples or any other testing material from the Client to Intertek shall be deemed to be conclusive evidence of the Client's acceptance of this Agreement.
- 5.3 The Client shall pay Intertek the charges set out in the Proposal, if applicable, or as otherwise contemplated for provision of the Services (the Charges).
- 5.4 If pricing factors, such as salaries and/or rates are subject to change between the conclusion date of the Contract and the completion date of the Contract, Intertek has the right to adjust the Charges accordingly.
- 5.5 The Charges as expressed exclude any applicable taxes that the Client shall pay any applicable taxes on the Charges at the rate and in the manner prescribed by law, on the issue by Intertek of a valid invoice.
- 5.6 The Client agrees that it will reimburse Intertek for any expenses incurred by Intertek relating to the provision of the Services and is wholly responsible for any freight or customs clearance fees relating to any testing samples.
- 5.7 The Charges represent the total fees and costs payable by the Client for the Services pursuant to this Agreement. Any additional work performed by Intertek will be charged on a time and material basis.
- 5.8 Intertek shall invoice the Client for the Charges and expenses, if any. For Services provided over the course of a period of greater than thirty (30) days the Client agrees that at the end of each calendar month Intertek will issue an invoice for the cost of the Services provided in the month. A final invoice will be issued on the date of the completion of the Services.
- 5.9 The Client is required to pay all invoiced amounts without any deduction, discount or set-off no later than thirty (30) days after the invoice date. No deduction for bank charges incurred can be made. Payments, which must be denominated in the currency indicated in the invoice, must be made by means of money transfer to a bank account designated by Intertek.
- 5.10 Intertek will issue an electronic invoice to the Client. An electronic invoice may be sent by email and will be deemed to have been delivered to the Client upon receipt of such email. Intertek is under no obligation to fulfil any request by the Client for a paper copy to be sent by post. Any invoice sent by post will include a £25 administration fee and the paper invoice must be paid by the Client within the credit terms referred to in 5.9 above.
- 5.11 If Intertek believes that the Client's financial position and/or payment performance justifies such action, Intertek has the right to demand that the Client immediately furnish security or additional security in a form to be determined by Intertek and/or make an advance payment. If the Client fails to furnish the desired security, Intertek has the right, without prejudice to its other rights, to immediately suspend the further execution of all or any part of the Services, and any Charges for any part of the Services which has already been performed shall become immediately due and payable.
- 5.12 If the Client fails to pay within the period referred to in 5.9 above, it is in default of its payment obligations and this Agreement after having been reminded by Intertek at least once that payment is due within a reasonable period. In that case, the Client is liable to pay interest on the credit balance which remains due until the payment becomes due until the date of payment. The interest rate applied is deemed to be the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate, plus 5%. In addition, all collection costs incurred after the Client's default, both judicial and extrajudicial, are for the Client's account. The extrajudicial costs are set at an amount equal to least 10% of the principal plus interest, without prejudice to Intertek's right to collect the actual extrajudicial costs in excess of this amount. The judicial costs comprise all costs incurred by Intertek, even if they exceed the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate.
- 5.13 If the Client objects to the contents of the invoice, details of the objection must be raised with Intertek within seven (7) days of receipt of electronic invoice, otherwise the invoice will be deemed to have been accepted. Any such objections do not exempt the Client from its obligation to pay within the period referred to in 5.9 above.
- 5.14 Any request by the Client for certain information to be included in or appended to the invoice must be made at the time of setting out the Proposal. A later request by the Client for changes to the agreed format of the invoice or supplementary information will not discharge the Client from its obligation to pay within the period referred to in 5.9 above. Intertek reserves the right to charge a £25 administration fee for its use per invoice for any request for changes to the agreed format of the invoice or supplementary information that agreed in the Proposal. Intertek maintains the right to reject such an invoicing amendment request and such a rejection by Intertek of the Client's request will not exempt the Client from its obligation to pay within the period referred to in 5.9 above.
- 5.15 If actions by the Client delay completion of the Services, Intertek has the right to invoice the Client for the cost of all Services provided to date. In such a scenario the Client agrees to pay this invoice within thirty (30) days of the invoice date.

To the extent that Intertek processes personal data in connection with the Services or otherwise in connection with this Agreement, it shall take all necessary technical and organisational measures to ensure the security of such data (and to guard against unauthorised or unlawful processing, accidental loss, destruction or damage to such data) in line with the GDPR.

7. CONFIDENTIALITY

 - (a) keep that Confidential Information confidential, by applying the standard of care that it uses for its own Confidential Information;

- 7.7 With respect to archival storage, the Client acknowledges that Intertek may retain in its archive for the period required by its quality and assurance processes, or by the testing and certification rules of the relevant accreditation body, all materials necessary to document the Services provided.

8. AMENDMENTS

- 8.1 No amendment to this Agreement shall be effective unless it is in writing, expressly stated to amend this Agreement and signed by an authorised signatory of each party.

9. FORCE MAJEURE

- 9.1 Neither party shall be liable to the other for any delay in performing or failure to perform any obligation under this Agreement to the extent that such delay or failure to perform is a result of:
 - (a) death or personal injury resulting from the negligence of that party or its directors, officers, employees, agents or sub-contractors;
 - (b) natural disasters such as violent storms, earthquakes, tidal waves, floods and/or lightning; explosions and fires;

 - (c) continue to provide Services that remain unaffected by the Force Majeure Event.
- 9.4 If the Force Majeure Event continues for more than sixty (60) days after the day on which it started, each party may terminate this Agreement by giving at least ten (10) days' written notice to the other party.

10. LIMITATIONS AND EXCLUSIONS OF LIABILITY

- 10.1 Neither party excludes or limits liability to the other party:
 - (a) for death or personal injury resulting from the negligence of that party or its directors, officers, employees, agents or sub-contractors; or
 - (b) for its own fraud (or that of its directors, officers, employees, agents or sub-contractors).
- 10.2 Subject to clause 10.1, the maximum aggregate liability of Intertek in contract, tort (including negligence and breach of statutory duty) or otherwise for any breach of this agreement or any matter arising out of or in connection with the services to be provided in accordance with this agreement shall be limited to the amount of the charges payable by the Client for the services to be provided.

Intertek shall not be liable to the Client for any failure to give such notice of claim within ninety (90) days shall constitute a bar or irrevocable waiver to any claim, either directly or indirectly, in contract, tort or otherwise in connection with the provision of services under this agreement.

- 12.2 Intertek expressly disclaims any liability to the Client as an insurer or guarantor.

If the Services are to be performed at premises belonging to the Client or third parties, Intertek's employer's liability insurance does not provide cover for non-Intertek employees.

13. TERMINATION

- 13.1 This Agreement shall commence upon the first day on which the Services are commenced and shall continue, unless terminated earlier in accordance with this Clause 13, until the Services have been provided.
- 13.2 This Agreement may be terminated by:

This obligation shall survive termination or expiration of this Agreement.
- 13.4 Any termination or expiration of the Agreement shall not affect the accrued rights and obligations of the parties nor shall it affect any provision which is expressly or by implication intended to come into force or continue in force on or after such termination or expiration.

14. ASSIGNMENT AND SUB-CONTRACTING

- 14.1 Intertek reserves the right to delegate the performance of its obligations hereunder and the provision of the Services to one or more of its affiliates and/or sub-contractors when necessary. 16. MISCELLANEOUS

- 16.1 **Severability.** If any provision of this Agreement is or becomes invalid, illegal or unenforceable, such provision shall be severed and the remainder of the provisions shall continue in full force and effect as if this Agreement had been formed without the invalid illegal or unenforceable provision. - 16.3 **Waivers.** Subject to Clause 10.4 above, the failure of any party to insist upon strict performance of any provision of this Agreement, or to exercise any right or remedy to which it is entitled, shall not constitute a waiver and shall not cause a diminution of the obligations established by this Agreement. A waiver of any breach shall not constitute a waiver of any subsequent breach.
- 16.4 **No waiver of any right or remedy.** Under this Agreement shall be effective unless it is expressly stated to be a waiver and communicated to the other party in writing.
- 16.5 **Whole Agreement.** This Agreement and the Proposal contain the whole agreement between the parties relating to the transactions contemplated by this agreement and supersedes all previous agreements, arrangements and understandings between the parties relating to those transactions or that subject matter. No purchase order, statement or other similar document will add to or vary the terms of this Agreement.
- 16.6 Each party acknowledges that in entering into this Agreement it has not relied on any representation, warranty, collateral contract or other assurance (except those set out or referred to in this Agreement) made by or on behalf of any other party before the acceptance or signature of this Agreement. Each party waives all rights and remedies that, but for this Clause, might otherwise be available to it in respect of any such representation, warranty, collateral contract or other assurance.
- 16.7 **Nothing in this Agreement limits or excludes any liability for fraudulent misrepresentation.**
- 16.8 **Third Party Rights.** A person who is not party to this Agreement has no right under the Contract (Rights of Third Parties) Act 1999 to enforce any of its terms.
- 16.9 **Further Assurance.** Each party shall, at the cost and request of any other party, execute and deliver such instruments and documents and take such other actions in each case as may be reasonably requested from time to time in order to give full effect to its obligations under this Agreement.

- 3.3 Intertek makes no other warranties, express or implied. All other warranties, conditions and other terms implied by statute or common law (including but not limited to any implied warranties of merchantability and fitness for purpose) are, to the fullest extent permitted by law, excluded from this Agreement. No performance, delivery, or other obligation of Intertek shall be deemed to be a warranty or, if it is, it shall be subject to the terms, conditions, exclusions, limitations, and other representations which Intertek will create a warranty or otherwise increase the scope of any warranty provided.

4. CLIENT WARRANTIES AND OBLIGATIONS

- 4.1 The Client represents and warrants:
 - (a) that it has the power and authority to enter into this Agreement and procure the provision of the Services for itself;
 - (b) that it is securing the provision of the Services hereunder for its own account and not as an agent or broker, or in any other representative capacity, for any other person or entity;
 - (c) that any information, samples and related documents it (or any of its agents or representatives) supplies to Intertek (including its agents, sub-contractors and employees) is, true, accurate, representative, complete and is not misleading in any respect. The Client further acknowledges that Intertek will rely on such information, samples or other related documents and materials provided by the Client (without any duty to confirm or verify the accuracy or completeness thereof) in order to provide the Services;
 - (d) that any samples provided by the Client to Intertek will be shipped pre-paid and will be collected or disposed of by the Client (at the Client's cost) within thirty (30) days after testing unless alternative arrangements are made by the Client. In the event that such samples are not collected or disposed of by the Client within the required thirty (30) days period, Intertek reserves the right to destroy the samples, at the Client's cost;
 - (e) that any information, samples or other related documents (including without limitation certificates and reports) provided by the Client to Intertek will not, in any circumstances, infringe any legal rights (including Intellectual Property Rights) of any third party.
- 4.2 In the event that the Services provided relate to any third party, the Client shall cause any such third party to acknowledge and agree to the provisions in this Agreement and the Proposal prior to and as a condition precedent to such third party receiving any Reports or the benefit of any Services.
- 4.3 The Client further agrees:
 - (a) to co-operate with Intertek in all matters relating to the Services and appoint a manager in relation to the Services who shall be duly authorised to give instructions to Intertek on behalf of the Client and to bind the Client contractually as required;
 - (b) to provide Intertek (including its agents, sub-contractors and employees), at its own expense, any and all samples, information, material or other documentation necessary for the execution of the Services in a timely manner sufficient to enable Intertek to provide the Services in accordance with this Agreement. The Client acknowledges that any samples provided may become damaged or be destroyed in the course of testing as part of the necessary testing process and undertakes to hold Intertek harmless from any and all responsibility for such alteration, damage or destruction;
 - (c) that it is responsible for providing the samples/equipment to be tested together, where appropriate, with any specified additional items, including but not limited to connecting pieces, fuse-links, etc;
 - (d) to provide instructions and feedback to Intertek on a timely manner;
 - (e) to provide Intertek (including its agents, sub-contractors and employees) with access to its premises as may be reasonably required for the provision of the Services and to any other relevant premises at which the Services are to be provided;
 - (f) prior to Intertek attending any premises for the performance of the Services, to inform Intertek of all applicable health and safety rules and regulations and any security requirements and apply at any relevant premises at which the Services are to be provided;
 - (g) to notify Intertek promptly of any risk, safety issue or incidents in respect of any item delivered by the Client, or any process or systems used at its premises or otherwise necessary for the provision of the Services;
 - (h) to inform Intertek in advance of any applicable import/export restrictions that may apply to the Services to be provided, including any instances where any products, information or technology may be exported/imported to or from a country that is restricted or banned from such transaction;
 - (i) in the event of the issuance of a certificate, to inform and advise Intertek immediately of any changes during the term of the certificate which may have a material impact on the accuracy of the certification;
 - (j) to obtain and maintain all necessary licences and consents in order to comply with relevant legislation and regulation in relation to the Services;
 - (k) that it will not use any Reports issued by Intertek pursuant to this Agreement in a misleading manner and that it will only distribute such Reports in their entirety;
 - (l) in no event, will the contents of any Reports or any extracts, excerpts or parts of any Reports be distributed or published without the prior written consent of Intertek (such consent may be given orally or in writing);
 - (m) that any and all advertising and promotional materials or any statements made by the Client will not give a false or misleading impression to any third party concerning the services provided by Intertek.
- 4.4 Intertek shall be neither in breach of this Agreement nor liable to the Client for any breach of this Agreement if and to the extent that its breach is a direct result of a failure by the Client to comply with its obligations as set out in this Clause 4. The Client also acknowledges that the impact of any failure by the Client to perform its obligations set out herein on the provision of the Services by Intertek will not affect the Client's obligations under this Agreement for payment of the Charges pursuant to Clause 5 below.

5. CHARGES, INVOICING AND PAYMENT

- 5.1 The parties agree that the Services are provided on the terms and subject to the conditions set out or referred to in this Agreement, and that this Agreement shall be the entire agreement between the parties and shall supersede any previous agreement or understanding between the parties, whether in a purchase order or any other document.
- 5.2 Unless acceptance of this Agreement by the Client occurs at an earlier time, submission of samples or any other testing material from the Client to Intertek shall be deemed to be conclusive evidence of the Client's acceptance of this Agreement.
- 5.3 The Client shall pay Intertek the charges set out in the Proposal, if applicable, or as otherwise contemplated for provision of the Services (the Charges).
- 5.4 If pricing factors, such as salaries and/or rates are subject to change between the conclusion date of the Contract and the completion date of the Contract, Intertek has the right to adjust the Charges accordingly.
- 5.5 The Charges are expressed exclusive of any applicable taxes. Intertek shall pay any applicable taxes on the Charges at the rate and in the manner prescribed by law, on the issue by Intertek of a valid invoice.
- 5.6 The Client agrees that it will reimburse Intertek for any expenses incurred by Intertek relating to the provision of the Services and is wholly responsible for any freight or customs clearance fees relating to any testing samples.
- 5.7 The Charges represent the total fees to be paid by the Client for the Services pursuant to this Agreement. Any additional work performed by Intertek will be charged on a time and material basis.
- 5.8 Intertek shall invoice the Client for the Charges and expenses, if any. For Services provided over the course of a period of greater than thirty (30) days the Client agrees that at the end of each calendar month Intertek will issue an invoice for the cost of the Services provided in the month. A final invoice will be issued on the date of the completion of the Services.
- 5.9 The Client is required to pay all invoiced amounts without any deduction, discount or set-off no later than thirty (30) days after the invoice date. No deduction for bank charges incurred can be made. Payments, which must be denominated in the currency indicated in the invoice, must be made by means of money transfer to a bank account designated by Intertek.
- 5.10 Intertek will send an electronic invoice to the Client. An electronic invoice may be sent by email and will be deemed to have been delivered to the Client upon receipt of such email. Intertek is under no obligation to fulfil any request by the Client for a paper copy to be sent by post. Any invoice sent by post will include a £25 administration fee and the paper invoice must be paid by the Client within the credit terms referred to in 5.9 above.
- 5.11 If Intertek believes that the Client's financial position and/or payment performance justifies such action, Intertek has the right to demand that the Client immediately furnish security or additional security in a form to be determined by Intertek and/or make an advance payment. If the Client fails to furnish the desired security, Intertek has the right, without prejudice to its other rights, to immediately suspend the further execution of all or any part of the Services, and any Charges for any part of the Services which has already been performed shall become immediately due and payable.
- 5.12 If the Client fails to pay within the period referred to in 5.9 above, it is in default of its payment obligations and this Agreement after having been reminded by Intertek at least once that payment is due within a reasonable period. In that case, the Client is liable to pay interest on the credit balance with effect from the date when the payment became due until the date of payment. The interest rate applied is deemed to be the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate plus 5%. In addition, all collection costs incurred after the Client's default, both judicial and extrajudicial, are for the Client's account. The extrajudicial costs are set at an amount equal to least 10% of the principal plus interest, without prejudice to Intertek's right to collect the actual extrajudicial costs in excess of this amount. The judicial costs comprise the legal costs incurred by Intertek, even if they exceed the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate.
- 5.13 If the Client objects to the contents of the invoice, details of the objection must be raised with Intertek within seven (7) days of receipt of electronic invoice, otherwise the invoice will be deemed to have been accepted. Any such objections do not exempt the Client from its obligation to pay within the period referred to in 5.9 above.
- 5.14 Any request by the Client for further information to be included in or appended to the invoice must be made at the time of setting out the Proposal. A later request by the Client for changes to the agreed form of the invoice or supplementary information will not discharge the Client from its obligation to pay within the period referred to in 5.9 above. Intertek reserves the right to charge an administration fee per invoice for any additional information requested by the Client in excess of the information contained in the invoice or structure from that agreed in the Proposal. Intertek maintains the right to reject such an invoicing amendment request and such a rejection by Intertek of the Client's request will not exempt the Client from its obligation to pay within the period referred to in 5.9 above.
- 5.15 If actions by the Client delay completion of the Services, Intertek has the right to invoice the Client for the cost of all Services provided to date. In such a scenario the Client agrees to pay this invoice within thirty (30) days of the invoice date.

- 16.2 **No partnership or agency.** Nothing in this Agreement and no action taken by the parties under this Agreement shall constitute a partnership, association, joint venture or other co-operative enterprise between the parties or constitute any party the partner, agent or legal representative of the other.
- 16.3 **Waivers.** Subject to Clause 10.4 above, the failure of any party to insist upon strict performance of any provision of this Agreement, or to exercise any right or remedy to which it is entitled, shall not constitute a waiver and shall not cause a diminution of the obligations established by this Agreement. A waiver of any breach shall not constitute a waiver of any subsequent breach.
- 16.4 No waiver of any right or remedy under this Agreement shall be effective unless it is expressly stated to be a waiver and communicated to the other party in writing.
- 16.5 **Whole Agreement.** This Agreement and the Proposal contain the whole agreement between the parties relating to the transactions contemplated by this agreement and supersedes all previous agreements, arrangements and understandings between the parties relating to those transactions or that subject matter. No purchase order, statement or other similar document will add to or vary the terms of this Agreement.
