This warranty shall not apply where the infringement is directly or indirectly caused by Intertek's reliance on any information, samples or other related documents provided to Intertek by the Client or any of its agents or representatives;
- 3.2 In the event of a breach of the warranty set out in Clause 3.1 (b), Intertek shall, at its own expense, perform services of the type originally performed as may be reasonably required to correct any defect in Intertek's performance.
- 3.3 Intertek makes no other warranties, express or implied. All other warranties, conditions and other terms implied by statute or common law, including any implied warranties of merchantability and fitness for purpose are, to the fullest extent permitted by law, excluded from this Agreement. No performance, deliverable, oral or other information or advice provided by Intertek (including its agents, sub-contractors, employees or other representatives) will create a warranty or otherwise increase the scope of any warranty provided.

## 4. CLIENT WARRANTIES AND OBLIGATIONS

- 4.1 The Client represents and warrants:
- (a) that it has the power and authority to enter into this Agreement and procure the provision of the Services for itself;
- (b) that it is securing the provision of the Services hereunder for its own account and not as an agent or broker, or in any other representative capacity, for any other person or entity;
- (c) that any information, samples and related documents (if any) of its agents or representatives) supplied to Intertek (including its agents, sub-contractors and employees), is true, accurate representative, complete and is not misleading in any respect. The Client further acknowledges that Intertek will rely on such information, samples or other related documents and materials provided by the Client (without any duty to confirm or verify the accuracy or completeness thereof) in order to provide the Services;
- (d) that any samples provided by the Client to Intertek will be shipped pre-paid and will be collected or disposed of by the Client (at the Client's cost) within thirty (30) days after testing unless alternative arrangements are made in writing prior to the date of such disposal. If samples are not collected or disposed of by the Client within the required thirty (30) days period, Intertek reserves the right to destroy the samples, at the Client's cost; and
- (e) that any information, samples or other related documents (including without limitation certificates and reports) provided by the Client to Intertek will not, in any circumstances, infringe any legal rights (including Intellectual Property Rights) of any third party.
- 4.2 In the event that the Client or any third party, the Client shall cause any such third party to acknowledge and agree to the provisions in this Agreement and the Proposal prior to and as a condition precedent to such third party receiving any Reports or the benefit of any Services.
- 4.3 The Client further agrees:
- (a) to co-operate with Intertek in all matters relating to the Services and appoint a manager in relation to the Services who shall be duly authorised to provide instructions to Intertek on behalf of the Client and to bind the Client contractually as required;
- (b) to provide Intertek (including its agents, sub-contractors and employees), at its own expense, any and all samples, information, material or other documentation necessary for the execution of the Services in a timely manner sufficient to allow Intertek to perform the Services in accordance with this Agreement. The Client acknowledges that any samples provided may become damaged or be destroyed in the course of testing as part of the necessary testing process and undertakes to hold Intertek harmless from any and all responsibility for such alteration, damage or destruction;
- (c) that it is responsible for providing the samples/equipment to be tested together, where appropriate, with any specified additional items, including but not limited to connecting pieces, fuses-links, etc;
- (d) to provide instructions and feedback to Intertek in a timely manner;
- (e) to provide Intertek (including its agents, sub-contractors and employees) with access to its premises as may be reasonably required for the provision of the Services and to any other relevant premises at which the Services are to be provided;
- (f) prior to Intertek's performance of the Services, to inform Intertek of any applicable health and safety rules and regulations and other reasonable safety requirements that may apply at any relevant premises at which the Services are to be provided;
- (g) to notify Intertek promptly of any risk, safety issues or incidents in respect of any item delivered by the Client, or any process or systems used at its premises or otherwise necessary for the provision of the Services;
- (h) to inform Intertek in advance of any applicable import/export restrictions that may apply to the Services to be provided, including any instances where any products, information or technology may be exported/imported to or from a country that is restricted or banned from such transaction;
- (i) in the event of the issuance of a certificate, to inform and advise Intertek immediately of any changes during the term of the certificate which may have a material impact on the accuracy of the certification;
- (j) to obtain and maintain all necessary licences and consents in order to comply with relevant legislation and regulation in relation to the Services;
- (k) that it will not use any Reports issued by Intertek pursuant to this Agreement in a misleading manner and that it will only distribute such Reports in their entirety;
- (l) in no event, will the contents of any Reports or any extracts, excerpts or parts of any Reports be distributed or published without the prior written consent of Intertek (such consent not to be unreasonably withheld) in each instance; and
- (m) that any and all advertising and promotional materials or any statements made by the Client will not give a false or misleading impression to any third party concerning the services provided by Intertek.
- 4.4 Intertek shall be liable for any breach of this Agreement or for any breach of the Client's Agreement if and to the extent that the breach is a direct result of a failure by the Client to comply with its obligations as set out in this Clause 4. The Client also acknowledges that the impact of any failure by the Client to perform its obligations set out herein on the provision of the Services by Intertek will not affect the Client's obligations under this Agreement for payment of the Charges pursuant to Clause 5 below.

## 5. CHARGES, INVOICING AND PAYMENT

- 5.1 The parties agree that the Services are provided on the terms and subject to the conditions set out or referred to in this Agreement, and that this Agreement shall take precedence over any terms and conditions which the Client has provided or may in the future provide to Intertek, whether in a purchase order or any other document.
- 5.2 Unless acceptance of this Agreement by the Client occurs at an earlier time, submission of samples or any other testing material from the Client to Intertek shall be deemed to be conclusive evidence of the Client's acceptance of this Agreement.
- 5.3 The Client shall pay Intertek the charges set out in the Proposal, if applicable, or as otherwise contemplated for provision of the Services (the Charges).
- 5.4 If pricing factors, such as salaries and/or rates are subject to change between the conclusion date of the Contract and the completion date of the Contract, the Client agrees that the Services shall be performed at the rates in effect at the time of completion of the Services.
- 5.5 The Charges are expressed exclusive of any applicable taxes. The Client shall pay any applicable taxes on the Charges at the rate and in the manner prescribed by law, on the issue by Intertek of a valid invoice.
- 5.6 The Client agrees that it will reimburse Intertek for any expenses incurred by Intertek relating to the provision of the Services and is wholly responsible for any freight or customs clearance fees relating to any testing samples.
- 5.7 The Charges represent the total fees to be paid by the Client for the Services pursuant to this Agreement. Any additional work performed by Intertek will be charged on a time and material basis.
- 5.8 Intertek shall invoice the Client for the Charges and expenses, if any. For Services provided over the course of a period of greater than thirty (30) days the Client agrees that at the end of each calendar month Intertek will issue an invoice for the cost of the Services provided in the month. A final invoice will be issued on the date of the completion of the Services.
- 5.9 The Client is required to pay all invoiced amounts without any deduction, discount or set-off no later than thirty (30) days after the invoice date. No deduction for bank charges incurred can be made. Payments, which must be denominated in the currency indicated in the invoice, must be made by means of money transfer to a bank account designated by Intertek.
- 5.10 Intertek will issue an electronic invoice to the Client. An electronic invoice may be sent by email and will be deemed to have been delivered to the Client upon receipt of such email. Intertek is under no obligation to fulfil any request by the Client for a paper copy to be sent by post. Any invoice sent by post will include a £25 administration fee and the paper invoice must be paid by the Client within the credit terms referred to in 5.9 above.
- 5.11 If Intertek believes that the Client's financial position and/or payment performance justifies such action, Intertek has the right to demand that the Client immediately furnish security or additional security in a form to be determined by Intertek and/or make an advance payment. If the Client fails to furnish the desired security, Intertek reserves the right, without prejudice to its other rights, to immediately suspend the further execution of the Services, and any Charges for any part of the Services which has already been performed shall become immediately due and payable.
- 5.12 If the Client fails to pay within the period referred to in 5.9 above, it is in default of its payment obligations and this Agreement after having been reminded by Intertek at least once, shall be deemed to be terminated. Intertek reserves the right to pay interest on the credit balance with effect from the date on which the payment became due until the date of payment. The interest rate applied is deemed to be the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate plus 5%. In addition, all collection costs incurred after the Client's default, both judicial and extrajudicial, are for the Client's account. The extrajudicial costs are set at an amount equal to 10% of the total amount of the invoice, and the judicial costs are set at an amount equal to 10% of the total amount of the invoice, in excess of this amount. The judicial costs comprise all costs incurred by Intertek, even if they exceed the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate.
- 5.13 If the Client objects to the contents of the invoice, details of the objection must be raised with Intertek within seven (7) days of receipt of electronic invoice, otherwise the invoice will be deemed to have been accepted. Any such objections do not exempt the Client from its obligation to pay within the period referred to in 5.9 above.
- 5.14 Any request by the Client for certain information to be included in or appended to the invoice must be made at the time of setting out the Proposal. A later request by the Client for changes to the agreed format of the invoice or supplementary information will not discharge the Client from its obligation to pay the invoice within the period referred to in 5.9 above. Intertek reserves the right to charge a £25 administration fee per invoice for issuing additional copies of invoices or amending invoice detail, format or structure from that agreed in the Proposal. Intertek maintains the right to reject such an invoicing amendment request and such a rejection by Intertek of the Client's request will not exempt the Client from its obligation to pay within the period referred to in 5.9 above.
- 5.15 If actions by the Client delay completion of the Services, Intertek has the right to invoice the Client for the cost of all Services provided to date. In such a scenario the Client agrees to pay this invoice within thirty (30) days of the invoice date.

  - 7.4 The Receiving Party may disclose Confidential Information of the Disclosing Party to the extent required by law, any regulatory authority or any court of competent jurisdiction, provided that the Receiving Party has given the Disclosing Party prompt written notice of the requirement to disclose and where possible given the Disclosing Party a reasonable opportunity to prevent the disclosure through appropriate legal means.
  - 7.5 Each party shall ensure the compliance by its employees, agents and representatives (which, in the case of Intertek, includes procuring of its subcontractors) with its obligations under this Agreement in relation to the confidentiality of Confidential Information.

  - 7.7 With respect to archival storage, the Client acknowledges that Intertek may retain in its archive for the period required by its quality and process requirements, or by the testing and certification rules of the relevant accreditation body, all materials necessary to document the Services provided.
- ## 8. AMENDMENT
- 8.1 No amendment to this Agreement shall be effective unless it is in writing, expressly stated to amend this Agreement and signed by an authorised signatory of each party.
- ## 9. FORCE MAJEURE

  - 9.3 A party whose performance is affected by an event described in Clause 9.1 (a Force Majeure Event) shall:
  - (a) promptly notify the other party in writing of the Force Majeure Event and the cause and the likely duration of any consequential delay or non-performance of its obligations;

  - (c) continue to provide Services that remain unaffected by the Force Majeure Event.
  - 9.4 If the Force Majeure Event continues for more than sixty (60) days after the day on which it started, each party may terminate this Agreement by giving at least ten (10) days' written notice to the other party.
- ## 10. LIMITATIONS AND EXCLUSIONS OF LIABILITY
- 10.1 Neither party excludes or limits liability to the other party:
  - (a) for death or personal injury resulting from the negligence of that party or its directors, officers, employees, agents or sub-contractors; or for its own fraud (or that of its directors, officers, employees, agents or sub-contractors).

  - 10.4 Any claim by a party against Intertek in respect of the Services must be made within ninety (90) days after the claimant becomes aware of any circumstances giving rise to any such claim. Failure to give such notice of claim within ninety (90) days shall constitute a bar or irretrievable waiver to any claim, either directly or indirectly, in contract, tort or otherwise in connection with the provision of services under this agreement.
- ## 11. INDEMNITY
- 11.1 The Client shall indemnify and hold harmless Intertek, its officers, employees, agents, representatives, contractors and sub-contractors from and against any and all claims, suits, liabilities (including costs of litigation and attorney's fees) arising, directly or indirectly, out of or in connection with:

If the invalidity, illegality or unenforceability is so fundamental that it prevents the accomplishment of the purpose of this Agreement, Intertek and the Client shall immediately commence good faith negotiations to agree an alternative arrangement.

  - 16.3 **Waivers.** Subject to Clause 10.4 above, the failure of any party to insist upon strict performance of any provision of this Agreement, or to exercise any right or remedy to which it is entitled, shall not constitute a waiver and shall not cause a diminution of the obligations of the parties under this Agreement. A waiver of any breach shall not constitute a waiver of any other breach nor shall it constitute a waiver of any right or remedy under this Agreement.
  - 16.4 **No waiver of any right or remedy.** This Agreement shall be effective unless it is expressly stated to be a waiver and communicated to the other party in writing.
  - 16.5 **Whole Agreement.** This Agreement and the Proposal contain the whole agreement between the parties relating to the transactions contemplated by this agreement and supersedes all previous agreements, arrangements and understandings between the parties relating to those transactions or that subject matter.   - 16.7 Nothing in this Agreement limits or excludes any liability for fraudulent misrepresentation.
  - 16.8 **Third Party Rights.** A person who is not party to this Agreement has no right under the Contract (Rights of Third Parties) Act 1999 to enforce any of its terms.
  - 16.9 **Further Assurance.** Each party shall, at the cost and request of any other party, execute and deliver such instruments and documents and take such other actions in each case as may be reasonably requested from time to time in order to give full effect to its obligations under this Agreement.

The Client also acknowledges that the impact of any failure by the Client to perform its obligations set out herein on the provision of the Services by Intertek will not affect the Client's obligations under this Agreement for payment of the Charges pursuant to Clause 5 below.

## 5. CHARGES, INVOICING AND PAYMENT

5.1 The parties agree that the Services provided on the terms and subject to the conditions set out or referred to in this Agreement, and that this Agreement shall take precedence over any terms and conditions which the Client has provided or may in the future provide to Intertek, whether in a purchase order or any other document.

5.2 Unless acceptance of this Agreement by the Client occurs at an earlier time, submission of samples or any other testing material from the Client to Intertek shall be deemed to constitute the Client's acceptance of this Agreement.

5.3 The Client shall pay Intertek the charges set out in the Proposal, if applicable, or as otherwise contemplated for provision of the Services (the Charges).

5.4 If pricing factors, such as salaries and/or rates are subject to change between the conclusion date of the Contract and the completion date of the Contract, Intertek shall have the right to adjust the Charges accordingly.

5.5 The Charges are expressed exclusive of any applicable taxes. The Client shall pay any applicable taxes on the Charges at the rate and in the manner prescribed by law, on the issue by Intertek of a valid invoice.

5.6 The Client agrees that it will reimburse Intertek for any expenses incurred by Intertek relating to the provision of the Services and is wholly responsible for any freight or customs clearance fees relating to any testing samples.

5.7 The Charges represent the total fees to be paid by the Client for the Services pursuant to this Agreement. Any additional work performed by Intertek will be charged on a time and material basis.

5.8 Intertek shall invoice the Client for the Charges and expenses, if any. For Services provided over the course of a period of greater than thirty (30) days the Client agrees that payment will be deemed to be due within a reasonable period. In the case the Client is liable to pay Intertek in the month. A final invoice will be issued on the date of the completion of the Services.

5.9 The Client is required to pay all invoiced amounts without any deduction, discount or set-off no later than thirty (30) days after the invoice date. No deduction for bank charges incurred can be made. Payments, which must be denominated in the currency indicated in the invoice, must be made by means of a bank transfer to the bank account designated by Intertek.

5.10 Intertek will issue an electronic invoice to the Client. An electronic invoice may be sent by email and will be deemed to have been delivered to the Client upon receipt of such email. Intertek is under no obligation to fulfil any request by the Client for a paper copy to be sent by post. Any invoice sent by post will include a £25 administration fee and the paper invoice must be paid by the Client within the credit terms referred to in 5.9 above.

5.11 If Intertek believes that the Client's financial position and/or payment performance justifies such action, Intertek has the right to demand that the Client immediately furnish security or additional security in a form to be determined by Intertek and/or make an advance payment. If the Client fails to furnish the desired security, Intertek has the right, without prejudice to its other rights, to immediately suspend the further execution of the Services, and any Charges for any part of the Services which has already been performed shall become immediately due and payable.

5.12 If the Client fails to pay within the period referred to in 5.9 above, it is in default of its payment obligations and this Agreement after having been reminded by Intertek at least once that payment is due within a reasonable period. In the case the Client is liable to pay Intertek in the credit balance with effect from the date on which the payment became due until the date of payment. The interest rate applied is deemed to be the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate plus 5%. In addition, all collection costs incurred after the Client's default, both judicial and extrajudicial, are for the Client's account. The extrajudicial costs are set at an amount equal to least 1% of the total amount of the invoice referred to in 5.9 above. Intertek reserves the right to collect the actual extrajudicial costs in excess of this amount. The judicial costs comprise all costs incurred by Intertek, even if they exceed the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate.

5.13 If the Client objects to the contents of the invoice, details of the objection must be raised with Intertek within seven (7) days of receipt of electronic invoice, otherwise the invoice will be deemed to have been accepted. Any such objections do not exempt the Client from its obligation to pay within the period referred to in 5.9 above.

5.14 Any request by the Client for certain information to be included in or appended to the invoice must be made at the time of setting out the Proposal. A later request by the Client for changes to the agreed format of the invoice or supplementary information will be deemed to constitute a request for Intertek to provide the Client with the right to charge a £25 administration fee per invoice for issuing additional copies of invoices or amending invoice detail, format or structure from that agreed in the Proposal. Intertek maintains the right to reject such an invoicing amendment request and such a rejection by Intertek of the Client's request will not exempt the Client from its obligation to pay within the period referred to in 5.9 above.

5.15 If actions by the Client delay completion of the Services, Intertek has the right to invoice the Client for the cost of all Services provided to date. In such a scenario the Client agrees to pay this invoice within thirty (30) days of the invoice date.

The Client also acknowledges that the impact of any failure by the Client to perform its obligations set out herein on the provision of the Services by Intertek will not affect the Client's obligations under this Agreement for payment of the Charges pursuant to Clause 5 below.

## 5. CHARGES, INVOICING AND PAYMENT

- 5.1 The parties agree that the Services are provided on the terms and subject to the conditions set out or referred to in this Agreement, and that this Agreement shall take precedence over any terms and conditions which the Client has provided or may in the future provide to Intertek, whether in a purchase order or any other document.
- 5.2 Unless acceptance of this Agreement by the Client occurs at an earlier time, submission of samples or any other testing material from the Client to Intertek shall be deemed to be conclusive acceptance of the Client's acceptance of this Agreement.
- 5.3 The Client shall pay Intertek the charges set out in the Proposal, if applicable, or as otherwise contemplated for provision of the Services (the Charges).
- 5.4 If pricing factors, such as salaries and/or rates are subject to change between the conclusion date of the Contract and the completion date of the Contract, Intertek has the right to adjust the Charges accordingly.
- 5.5 The Charges are expressed exclusive of any applicable taxes. The Client shall pay any applicable taxes on the Charges at the rate and in the manner prescribed by law, on the issue by Intertek of a valid invoice.
- 5.6 The Client agrees that it will reimburse Intertek for any expenses incurred by Intertek relating to the provision of the Services and is wholly responsible for any freight, customs clearance fees relating to any testing samples.
- 5.7 The Charges represent the total fees to be paid by the Client for the Services pursuant to this Agreement. Any additional work performed by Intertek will be charged on a time and material basis.
- 5.8 Intertek shall invoice the Client for the Charges and expenses, if any. For Services provided over the course of a period of greater than thirty (30) days the Client agrees that at the end of each calendar month Intertek will issue an invoice for the cost of the Services provided in the month. A final invoice will be issued on the date of the completion of the Services.
- 5.9 The Client is required to pay all invoiced amounts without any deduction, discount or set-off no later than thirty (30) days after the invoice date. No deduction for bank charges incurred can be made. Payments, which must be denominated in the currency indicated in the invoice, must be made by means of a bank transfer to the bank account designated by Intertek.
- 5.10 Intertek will issue an electronic invoice to the Client. An electronic invoice may be sent by email and will be deemed to have been delivered to the Client upon receipt of such email. Intertek is under no obligation to fulfil any request by the Client for a paper copy to be sent by post. Any invoice sent by post will include a €25 administration fee and the paper invoice must be paid by the Client within the credit terms referred to in 5.9 above.
- 5.11 If Intertek believes that the Client's financial position and/or payment performance justifies such action, Intertek has the right to demand that the Client immediately furnish security or additional security in a form to be determined by Intertek and/or make an advance payment. If the Client fails to furnish the desired security, Intertek has the right, without prejudice to its other rights, to immediately suspend the further execution of the Services, and any Charges for any part of the Services which has already been performed shall become immediately due and payable.
- 5.12 If the Client fails to pay within the period referred to in 5.9 above, it is in default of its payment obligations and this Agreement after having been reminded by Intertek at least once that payment is due within a reasonable period. In that case, the Client is liable to pay interest on the credit balance with effect from the date on which the payment became due until the date of payment. The interest rate applied is deemed to be the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate plus 5%. In addition, all collection costs incurred after the Client's default, both judicial and extrajudicial, are for the Client's account. The extrajudicial costs are set at an amount equal to least 10% of the total amount of the invoice, without prejudice to the Client's obligation to pay the extrajudicial costs in excess of this amount. The judicial costs comprise all costs incurred by Intertek, even if they exceed the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate.
- 5.13 If the Client objects to the contents of the invoice, details of the objection must be raised with Intertek within seven (7) days of receipt of electronic invoice, otherwise the invoice shall be deemed to have been accepted. Any such objections do not exempt the Client from its obligation to pay within the period referred to in 5.9 above.
- 5.14 Any request by the Client for certain information to be included in or appended to the invoice must be made at the time of setting out the Proposal. A later request by the Client for changes to the agreed format of the invoice or supplementary information will be charged to the Client at the rate of €25 per invoice for issuing additional copies of invoices or amending invoice detail, format or structure from that agreed in the Proposal. Intertek maintains the right to reject such an invoicing amendment request and such a rejection by Intertek of the Client's request will not exempt the Client from its obligation to pay within the period referred to in 5.9 above.
- 5.15 If actions by the Client delay completion of the Services, Intertek has the right to invoice the Client for the cost of all Services provided to date. In such a scenario the Client agrees to pay this invoice within thirty (30) days of the invoice date.

3.2 In the event of a breach of the warranty set out in Clause 3.1 (b), Intertek shall, at its own expense, perform services of the type originally performed as may be reasonably required to correct any defect in Intertek's performance.

4.1 The Client represents and warrants:

(a) that it has the power and authority to enter into this Agreement and procure the provision of the Services for itself;

(b) that it is securing the provision of the Services hereunder for its own account and not as an agent or broker, or in any other representative capacity, for any other person or entity;

(e) that any samples provided by the Client to Intertek will be shipped pre-paid and will be collected or disposed of by the Client (at the Client's cost) within thirty (30) days after testing unless alternative arrangements are made by the Client. Intertek reserves the right to destroy the samples, if not collected or disposed of by the Client within the required thirty (30) days period. Intertek reserves the right to destroy the samples, at the Client's cost; and

(f) that any information, samples or other related documents (including without limitation certificates and reports) provided by the Client to Intertek will not, in any circumstances, infringe any legal rights (including Intellectual Property Rights) of any third party.

4.2 In the event that the Services provided relate to any third party, the Client shall cause any such third party to acknowledge and agree to the provisions in this Agreement and the Proposal prior to and as a condition precedent to such third party receiving any Reports or the benefit of any Services.

4.3 The Client further agrees:

(a) to co-operate with Intertek in all matters relating to the Services and appoint a manager in relation to the Services who shall be duly authorised to provide instructions to Intertek on behalf of the Client and to bind the Client contractually as required;

(b) to provide Intertek (including its agents, sub-contractors and employees), at its own expense, any and all samples, information, material or other documentation necessary for the execution of the Services in a timely manner sufficient to enable Intertek to provide the Services in accordance with this Agreement. (k) that any and all advertising and promotional materials or any statements made by the Client will not give a false or misleading impression to any third party concerning the services provided by Intertek.

4.4 In the event of a breach of this Agreement by the Client, Intertek shall be entitled to the Client for any breach of this Agreement if and to the extent that its breach is a direct result of a failure by the Client to comply with its obligations as set out in this Clause 4. The Client also acknowledges that the impact of any failure by the Client to perform its obligations set out herein on the provision of the Services by Intertek will not affect the Client's obligations under this Agreement for payment of the Charges pursuant to Clause 5 below.

## 5. CHARGES, INVOICING AND PAYMENT

5.1 The parties agree that the Services are provided on the terms and subject to the conditions set out or referred to in this Agreement, and that this Agreement shall take precedence over any terms and conditions which the Client has provided or may in the future provide to Intertek, whether in a purchase order or any other document.

5.2 Unless acceptance of this Agreement by the Client occurs at an earlier time, submission of samples or any other testing material from the Client to Intertek shall be deemed to be acceptance of the Client's acceptance of this Agreement.

5.3 The Client shall pay Intertek the charges set out in the Proposal, if applicable, or as otherwise contemplated for provision of the Services (the Charges).

5.4 If pricing factors, such as salaries and/or rates are subject to change between the conclusion date of the Contract and the completion date of the Contract, Intertek shall have the right to adjust the Charges to reflect such changes.

5.5 The Charges are expressed exclusive of any applicable taxes. The Client shall pay any applicable taxes on the Charges at the rate and in the manner prescribed by law, on the issue by Intertek of a valid invoice.

5.6 The Client agrees that it will reimburse Intertek for any expenses incurred by Intertek relating to the provision of the Services and is wholly responsible for any freight or customs clearance fees relating to any testing samples.

5.7 The Charges represent the total fees to be paid by the Client for the Services pursuant to this Agreement. Any additional work performed by Intertek will be charged on a time and material basis.

5.8 Intertek shall invoice the Client for the Charges and expenses, if any. For Services provided over the course of a period of greater than thirty (30) days the Client agrees that at the end of each calendar month Intertek will issue an invoice for the cost of the Services provided in the month. A final invoice will be issued on the date of the completion of the Services.

5.9 The Client is required to pay all invoiced amounts without any deduction, discount or set-off no later than thirty (30) days after the invoice date. No deduction for bank charges incurred can be made. Payments, which must be denominated in the currency indicated in the invoice, must be made by means of a bank transfer to a bank account designated by Intertek.

5.10 Intertek will issue an electronic invoice to the Client. An electronic invoice may be sent by email and will be deemed to have been delivered to the Client upon receipt of such email. Intertek is under no obligation to fulfil any request by the Client for a paper copy to be sent by post. Any invoice sent by post will include a £25 administration fee and the paper invoice must be paid by the Client within the credit terms referred to in 5.9 above.

5.11 If Intertek believes that the Client's financial position and/or payment performance justifies such action, Intertek has the right to demand that the Client immediately furnish security or additional security in a form to be determined by Intertek and/or make an advance payment. If the Client fails to furnish the desired security, Intertek has the right, without prejudice to its other rights, to immediately suspend the further execution of all or any part of the Services, and any Charges for any part of the Services which has already been performed shall become immediately due and payable.

5.12 If the Client fails to pay within the period referred to in 5.9 above, it is in default of its payment obligations and this Agreement after having been reminded by Intertek at least once that payment is due within a reasonable period. In that case the Client is liable to pay interest on the credit balance which remains unpaid from the date on which the payment became due until the date of payment. The interest rate applied is deemed to be the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate plus 5%. In addition, all collection costs incurred after the Client's default, both judicial and extrajudicial, are for the Client's account. The extrajudicial costs are set at an amount equal to least 10% of the principal plus interest, without prejudice to Intertek's right to collect the extrajudicial costs in excess of this amount. The judicial costs are set at the amount of the extrajudicial costs incurred by Intertek, even if they exceed the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate.

5.13 If the Client objects to the contents of the invoice, details of the objection must be raised with Intertek within seven (7) days of receipt of electronic invoice, otherwise the invoice will be deemed to have been accepted. Any such objections do not exempt the Client from its obligation to pay within the period referred to in 5.9 above.

5.14 Any request by the Client for certain information to be included in or appended to the invoice must be made at the time of setting out the Proposal. A later request by the Client for changes to the agreed format of the invoice or supplementary information will be discharged by the Client from its obligation to pay within the period referred to in 5.9 above. Intertek reserves the right to charge a £25 administration fee per invoice for issuing additional copies of invoices or amending invoice detail, format or structure from that agreed in the Proposal. Intertek maintains the right to reject such an invoicing amendment request and such rejection by Intertek of the Client's request will not exempt the Client from its obligation to pay within the period referred to in 5.9 above.

5.15 If actions by the Client delay the completion of the Services, Intertek has the right to invoice the Client for the cost of all Services provided to date. In such a scenario the Client agrees to pay this invoice within thirty (30) days of the invoice date.

A waiver of any one or more provisions of this Agreement shall not be deemed to be a waiver of any other provisions of this Agreement.

16.4 **No waiver of any right or remedy.** No waiver of any right or remedy under this Agreement shall be effective unless it is expressly stated to be a waiver and communicated to the other party in writing.
