- 2.2 In the event of any inconsistency between the terms of this Agreement and the Proposal, the terms of the Proposal shall take precedence.
- 2.3 The Services provided by Intertek under this Agreement and any Report shall be only for the Client's use and benefit.
- 2.4 The Client acknowledges and agrees that if in providing the Services Intertek is obliged to deliver a Report to a third party, Intertek shall be deemed irrevocably authorised to deliver such Report to the applicable third party for the purposes of this clause an obligation shall arise on the instructions of the Client, or where, in the reasonable opinion of Intertek, it is implicit from the circumstances, trade, custom, usage or practice.

This warranty shall not apply where the infringement is directly or indirectly caused by Intertek's reliance on any information, samples or other related documents provided to Intertek by any of its agents or representatives;
- 3.6 In the event of a breach of the warranty set out in Clause 3.1 (b), Intertek shall, at its own expense, perform services of the type originally performed as may be reasonably required to correct any defect in Intertek's performance.
- 3.7 Intertek makes no other warranties, express or implied. All other warranties, conditions and other terms implied by statute or common law (including but not limited to implied warranties of merchantability and fitness for purpose) are, to the fullest extent permitted by law, excluded from this Agreement. 4. CLIENT WARRANTIES AND OBLIGATIONS

- 4.1 The Client represents and warrants:
- 4.2 (a) that it has the power and authority to enter into this Agreement and procure the provision of the Services for itself;
- 4.3 (b) that it is securing the provision of the Services hereunder for its own account and not as an agent or broker, or in any other representative capacity, for any other person or entity;
- 4.4 (c) that any information, samples and related documents it (or any of its agents or representatives) supplies to Intertek (including its agents, sub-contractors and employees), is true, accurate, representative, complete and is not misleading in any respect. The Client further acknowledges that Intertek will rely on such information, samples or other related documents and materials provided by the Client (without any duty to confirm or verify the accuracy or completeness thereof) in order to provide the Services;
- 4.5 (d) that any samples provided by the Client to Intertek will be shipped pre-paid and will be collected or disposed of by the Client (at the Client's cost) within 30 days of the testing or testing alternative arrangements are made by the Client. In the event that such samples are not collected or disposed of by the Client within the required thirty (30) days period, Intertek reserves the right to destroy the samples, at the Client's cost; and

The Client acknowledges that any samples provided may become damaged or be destroyed in the course of testing as part of the necessary testing process and undertakes to hold Intertek harmless from any and all responsibility for such alteration, damage or destruction;
- 4.11 (c) that it is responsible for providing the samples/equipment to be tested together, where appropriate, with any specified additional items, including but not limited to connecting pieces, fuse-links, etc;
- 4.12 (d) to provide instructions and feedback to Intertek in a timely manner;

- 4.15 (g) to notify Intertek promptly of any risk, safety issues or incidents in respect of any item delivered by the Client, or any process or systems used at its premises or otherwise necessary for the provision of the Services;
- 4.16 (h) to inform Intertek in advance of any applicable import/export restrictions that may apply to the Services to be provided, including any instances where any products, information or technology may be exported/imported to or from a country that is restricted or banned from such transaction;
- 4.17 (i) in the event of the issuance of a certificate, to inform and advise Intertek immediately of any changes during the term of the certificate which may have a material impact on the accuracy of the certification;
- 4.18 (j) to obtain and maintain all necessary licenses and consents in order to comply with relevant legislation and regulation in relation to the Services;
- 4.19 (k) that it will not use any Reports issued by Intertek pursuant to this Agreement in a misleading manner and that it will only distribute such Reports in their entirety;
- 4.20 (l) in no event, will the contents of any Reports or any extracts, excerpts or parts of any Reports be distributed or published without the prior written consent of Intertek (such consent not to be unreasonably withheld) in each instance; and
- 4.21 (m) that any and all advertising and promotional materials or any statements made by the Client will not give a false or misleading impression to any third party concerning the services provided by Intertek.

5. CHARGES, INVOICING AND PAYMENT

- 5.1 The parties agree that the Services are provided on the terms and subject to the conditions set out or referred to in this Agreement, and that this Agreement shall take precedence over any terms and conditions which the Client has provided or may in the future provide to Intertek, whether in a purchase order or any other document.
- 5.2 Upon submission of samples or any other testing material or commencement of the Services, from the Client to Intertek shall be deemed to be conclusive evidence of the Client's acceptance of this Agreement.
- 5.3 The Client shall pay Intertek the Charges as set out in any proposal or otherwise agreed in writing (the Charges).
- 5.4 If pricing factors, such as salaries and/or rates are subject to change between the conclusion date of the Contract and the completion date of the Contract, Intertek has the right to adjust the Charges accordingly.
- 5.5 The Charges are expressed exclusive of any applicable taxes. Intertek shall pay any applicable taxes on the Charges at the rate and in the manner prescribed by law, within thirty (30) days of the issue by Intertek of a valid invoice.
- 5.6 The Client agrees that it will reimburse Intertek for any expenses incurred by Intertek relating to the provision of the Services and is wholly responsible for any freight or customs clearance fees relating to any testing samples.
- 5.7 The Charges represent the total fees to be paid by the Client for the Services pursuant to this Agreement. Any additional work performed by Intertek will be charged on a time and material basis.
- 5.8 Intertek will issue an electronic invoice to the Client each month as the Services progress. An electronic invoice may be sent by email and will be deemed to have been delivered to the Client upon receipt of such email. Intertek is under no obligation to fulfil any request by the Client for a paper copy to be sent by post. Any invoice sent by post will include a £25 administration fee and the paper invoice must be paid by the Client within the credit terms referred to in 5.5 above.
- 5.9 If Intertek believes that the Client's financial position and/or payment performance justifies such action, Intertek has the right to demand that the Client immediately furnish security or additional security in a form to be determined by Intertek and/or make an advance payment. If the Client fails to furnish the desired security, Intertek has the right, without prejudice to its other rights, to immediately suspend the further execution of all or any part of the Services, and any Charges for any part of the Services which has already been performed shall become immediately due and payable.
- 5.10 If the Client fails to pay within the period referred to in 5.5 above, it is in default of its payment obligations and this Agreement after having been reminded by Intertek shall be terminated by Intertek with immediate effect. In that case, the Client is liable to pay interest on the credit balance with effect from the date on which the payment became due (until the date of payment). The interest rate applied is deemed to be the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate plus 5%. In addition, all collection costs incurred after the Client's default, both judicial and extrajudicial, are for the Client's account. The extrajudicial costs are set at an amount equal to least 10% of the principal amount of the invoice. Intertek shall collect the actual extrajudicial costs in excess of this amount. The judicial costs comprise all costs incurred by Intertek, even if they exceed the Vietcombank base rate.
- 5.11 If the Client objects to the contents of the invoice, details of the objection must be raised with Intertek within seven (7) days of receipt of electronic invoice, otherwise the invoice will be deemed to have been accepted. Any such objections do not exempt the Client from its obligation to pay Intertek the Charges as set out in 5.5 above.
- 5.12 Any request by the Client for certain information to be included in or appended to the invoice must be made at the time of setting out the Proposal. A later request by the Client for changes to the agreed form of the invoice or supplementary information will not discharge the Client from its obligation to pay within the period referred to in 5.5 above. Intertek reserves the right to charge a £25 administration fee per invoice for issuing additional copies of invoices or amending invoice details, format or structure from that agreed in the Proposal. Intertek maintains the right to reject such an invoicing amendment request and such a rejection by Intertek of the Client's request will not exempt the Client from its obligation to pay within the period referred to in 5.5 above.
- 5.13 If actions by the Client tend to commit the Client to the provision of the Services, Intertek has the right to demand that the Client for the cost of all Services provided to date. In such a scenario the Client agrees to pay this invoice within thirty (30) days of the invoice date.

6. INTELLECTUAL PROPERTY RIGHTS AND DATA PROTECTION

- 6.1 All Intellectual Property Rights belonging to a third party prior to entry into this Agreement shall remain vested in that party.
- 6.2 Any use by the Client (or its Affiliates) of the name "Intertek" or any of Intertek's trademarks or brand names for any marketing, media or publication purposes must be prior approved in writing by Intertek. Intertek reserves the right to terminate this Agreement immediately as a result of any such unauthorised use.
- 6.3 In the event of provision of certification services, Client agrees and acknowledges that the use of certification marks may be subject to national and international laws and regulations.

- 6.4 All Intellectual Property Rights in any Reports, documents, graphs, charts, photographs or any other material (in whatever medium) produced by Intertek pursuant to this Agreement shall belong to Intertek. The Client shall have the right to use any such Reports, documents, graphs, charts, photographs or other material for the purposes of this Agreement.
 - 6.5 The Client agrees and acknowledges that Intertek retains any and all proprietary rights in concepts, ideas and inventions that may arise during the preparation or provision of any Report (including any deliverables provided by Intertek to the Client) and the provision of the Services to the Client.
 - 6.6 Both parties shall observe all statutory provisions with regard to data protection including but not limited to the provisions of the General Data Protection Regulation 2016/679 ("GDPR") and shall comply with all applicable requirements of the GDPR.
- ### 7. CONFIDENTIALITY
- 7.1 Where a party (the Receiving Party) obtains Confidential Information of the other party (the Disclosing Party) in connection with this Agreement (whether before or after the date of this Agreement) it shall, subject to Clauses 7.2 to 7.4:
 - 7.2 (a) keep that Confidential Information confidential, by applying the standard of care that it uses for its own Confidential Information; use that Confidential Information only for the purposes of performing obligations under this Agreement; and
 - 7.3 (b) not disclose that Confidential Information to any third party without the prior written consent of the Disclosing Party.
 - 7.4 The Receiving Party may disclose the Disclosing Party's Confidential Information on a "need to know" basis:
 - 7.5 (a) to any legal advisors and statutory auditors that it has engaged for itself;
 - 7.6 (b) to any regulator having regulatory or supervisory authority over its business;
 - 7.7 (c) to any director, officer or employee of the Receiving Party provided that, in each case, the Receiving Party has first advised that person of the obligations under Clause 7.1 and ensured that the person is bound by obligations of confidence in respect of the Confidential Information no less onerous than those set out in this Clause 7; and
 - 7.8 (d) where the Receiving Party is Intertek, to any of its subsidiaries, Affiliates or subcontractors.
 - 7.9 The provisions of Clauses 7.1 and 7.2 shall not apply to any Confidential Information which:
 - 7.10 (a) was already in the possession of the Receiving Party prior to its receipt from the Disclosing Party without restriction on its use or disclosure;
 - 7.11 (b) is or becomes public knowledge other than by breach of this Clause 6.6;
 - 7.12 (c) is received by the Receiving Party from a third party who lawfully acquired it and who is under no obligation restricting its disclosure; or
 - 7.13 (d) is independently developed by the Receiving Party without access to the relevant Confidential Information.
 - 7.14 The Receiving Party may disclose Confidential Information of the Disclosing Party to the extent required by law, any regulatory authority or the terms of any stock exchange on which the Receiving Party is listed, provided that the Receiving Party has given the Disclosing Party prompt written notice of the requirement to disclose and where possible given the Disclosing Party a reasonable opportunity to prevent the disclosure through appropriate legal means.
 - 7.15 Each party shall ensure the compliance by its employees, agents and representatives (which, in the case of Intertek, includes procuring the same) from any sub-contractors with obligations under this Clause 7.
 - 7.16 No licence of any Intellectual Property Rights is given in respect of any Confidential Information solely by the disclosure of such Confidential Information by the Disclosing Party.
 - 7.17 With respect to archival storage, the Client acknowledges that Intertek may retain in its archive for the period required by its quality and assurance processes, or by the testing and certification rules of the relevant accreditation body, all materials necessary to document the Services provided.
- ### 8. AMENDMENT
- 8.1 No amendment to this Agreement shall be effective unless it is in writing, expressly stated to amend this Agreement and signed by an authorised signatory of each party.
- ### 9. FORCE MAJEURE
- 9.1 Neither party shall be liable to the other for any delay in performing or failure to perform any obligation under this Agreement to the extent that such delay or failure to perform is a result of:
 - 9.2 (a) war (whether declared or not), civil war, riots, revolution, acts of terrorism, military action, sabotage and/or piracy;
 - 9.3 (b) natural disasters such as violent storms, earthquakes, tidal waves, floods and/or lightning; explosions and fires;
 - 9.4 (c) strikes and labour disputes, other than by any one or more employees of the affected party or of any supplier or agent of the affected party;

 - 9.6 For the avoidance of doubt, where the affected party is Intertek any failure or delay caused by failure or delay on the part of a subcontractor shall only be a Force Majeure Event (as defined below) where the subcontractor is affected by one of the events described above.
 - 9.7 A party whose performance is affected by an event described in Clause 9.1 (a Force Majeure Event) shall:
 - 9.8 (a) promptly notify the other party in writing of the Force Majeure Event and the cause and the likely duration of any consequential delay or non-performance of its obligations;
 - 9.9 (b) use all reasonable endeavours to avoid or mitigate the effect of the Force Majeure Event and continue to perform or resume performance of its affected obligations as soon as reasonably possible; and
 - 9.10 (c) continue to provide Services that remain unaffected by the Force Majeure Event.
 - 9.11 If the Force Majeure Event continues for more than sixty (60) days after the day on which it started, each party may terminate this Agreement by giving at least ten (10) days' written notice to the other party.
- ### 10. LIMITATIONS AND EXCLUSIONS OF LIABILITY
- 10.1 Neither party excludes or limits liability to the other party:
 - 10.2 (a) for death or personal injury resulting from the negligence of that party or its directors, officers, employees, agents or sub-contractors; or for its own fraud (or that of its directors, officers, employees, agents or sub-contractors);

- #### Waivers
- 16.3 Subject to Clause 10.4 above, the failure of any party to insist upon strict performance of any provision of this Agreement, or to exercise any right or remedy to which it is entitled, shall not constitute a waiver and shall not cause a diminution of the obligations established by this Agreement. A waiver by any party shall not constitute a waiver of any subsequent breach.
 - 16.4 No waiver of any right or remedy under this Agreement shall be effective unless it is expressly stated to be a waiver and communicated to the other party in writing.

 - (b) that it is securing the provision of the Services hereunder for its own account and not as an agent or broker, or in any other representative capacity, for any other person or entity;
 - (c) that any information, samples and related documents it (or any of its agents or representatives) supplies to Intertek (including its agents, sub-contractors and employees) is, true, accurate representative, complete and is not misleading in any respect.  - (j) to obtain and maintain all necessary licences and consents in order to comply with relevant legislation and regulation in relation to the Services;
 - (k) that it will not use any Reports issued by Intertek pursuant to this Agreement in a misleading manner and that it will only distribute such Reports in their entirety;

 - (m) that any and all advertising and promotional materials or any statements made by the Client will not give a false or misleading impression to any third party concerning the services provided by Intertek.

- 4.4 Intertek shall be neither in breach of this Agreement nor liable to the Client for any breach of this Agreement if and to the extent that its breach is a direct result of a breach of any obligations set out herein on the provision of the Services by Intertek will not affect the Client's obligations under this Agreement for payment of the Charges pursuant to Clause 5 below.

5. CHARGES, INVOICING AND PAYMENT

- 5.1 The parties agree that the Services are provided on the terms and subject to the conditions set out or referred to in this Agreement, and that this Agreement shall take precedence over any terms and conditions which the Client has provided or may in the future provide to Intertek, whether in a purchase order or any other document.
- 5.2 Upon submission of samples or any other testing material or commencement of the Services, from the Client to Intertek shall be deemed to be conclusive evidence of the Client's acceptance of this Agreement.
- 5.3 The Client shall pay Intertek the charges as set out in any proposal or otherwise agreed in writing (the Charges).
- 5.4 If pricing factors, such as salaries and/or rates are subject to change between the conclusion date of the Contract and the completion date of the Contract, Intertek has the right to adjust the Charges accordingly.
- 5.5 The Charges are expressed exclusive of any applicable taxes. The Client shall pay any applicable taxes on the Charges at the rate and in the manner prescribed by law, within thirty (30) days of the issue by Intertek of a valid invoice.
- 5.6 The Client agrees that it will reimburse Intertek for any expenses incurred by Intertek relating to the provision of the Services and is wholly responsible for any freight or customs clearance fees relating to any testing samples.
- 5.7 The Charges represent the total fees to be paid by the Client for the Services pursuant to this Agreement. Any additional work performed by Intertek will be charged on a time and material basis.
- 5.8 Intertek will issue an electronic invoice to the Client each month as the Services progress. An electronic invoice may be sent by email and will be deemed to have been delivered to the Client upon receipt of such email. Intertek is under no obligation to fulfil any request by the Client for a paper copy to be sent by post. Any invoice sent by post will include a £25 administration fee and the paper invoice must be paid by the Client within the credit terms referred to in 5.5 above.
- 5.9 If Intertek believes that the Client's financial position and/or payment performance justifies such action, Intertek has the right to demand that the Client immediately furnish security or additional security in a form to be determined by Intertek and/or make an advance payment. If the Client fails to furnish the desired security, Intertek has the right, without prejudice to its other rights, to immediately suspend the further provision of the Services, and any Charges for any part of the Services which has already been performed shall become immediately due and payable.
- 5.10 If the Client fails to pay within the period referred to in 5.5 above, it is in default of its payment obligations and this Agreement after having been reminded by Intertek at least once that payment is due within a reasonable period. In that case, the Client is liable to pay interest on the credit balance outstanding from the date on which the payment became due until the date of payment. The interest rate applied is deemed to be the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate plus 5%. In addition, all collection costs incurred after the Client's default, both judicial and extrajudicial, are for the Client's account. The extrajudicial costs are set at an amount equal to least 10% of the principal plus interest, without prejudice to Intertek's right to collect the actual extrajudicial costs in excess of this amount. The judicial costs are the actual costs incurred by Intertek, even if they exceed the Vietcombank base rate.
- 5.11 If the Client objects to the contents of the invoice, details of the objection must be raised with Intertek within seven (7) days of receipt of electronic invoice, otherwise the invoice will be deemed to have been accepted. Any such objections do not exempt the Client from its obligation to pay within the period referred to in 5.5 above.
- 5.12 Any request by the Client for correction of the invoice or for amendment or appended to the invoice must be made at the time of setting out the Proposal. A later request by the Client for changes to the agreed format of the invoice or supplementary information will not discharge the Client from its obligation to pay within the period referred to in 5.5 above. Intertek reserves the right to charge a £25 administration fee per invoice for issuing additional copies of invoices or amending invoice detail, format or structure from that agreed in the Proposal. Intertek maintains the right to reject such an invoice and such a rejection by Intertek of the Client's request will not exempt the Client from its obligation to pay within the period referred to in 5.5 above.
- 5.13 If actions by the Client delay completion of the Services, Intertek has the right to invoice the Client for the cost of all Services provided to date. In such a scenario the Client agrees to pay this invoice within thirty (30) days of the invoice date.

6. INTELLECTUAL PROPERTY RIGHTS AND DATA PROTECTION

- 6.1 All Intellectual Property Rights belonging to a party to this Agreement shall remain vested in that party.
- 6.2 Any use by the Client (or its Affiliates) of the name "Intertek" or any of Intertek's trademarks or brand names for any marketing, media or publication purposes must be prior approved in writing by Intertek. This obligation shall survive termination or expiration of this Agreement.

A waiver of any breach shall not constitute a waiver of any subsequent breach.
 - 16.4 No waiver of any right or remedy under this Agreement shall be effective unless it is expressly stated to be a waiver and communicated to the other party in writing.
- #### Whole Agreement
- 16.5 This Agreement and the Proposal contain the whole agreement between the parties relating to the transactions contemplated by this agreement and supersedes all previous agreements, arrangements and understandings between the parties relating to those transactions or that subject matter. - 4.4 Intertek shall be neither in breach of this Agreement nor liable to the Client for any breach of this Agreement if and to the extent that its breach is a direct result of a failure by the Client to comply with its obligations as set out in this Clause 4. The Client also acknowledges that the impact of any failure by the Client to perform its obligations set out herein on the provision of the Services by Intertek will not affect the Client's obligations under this Agreement for payment of the Charges pursuant to Clause 5 below.

5. CHARGES, INVOICING AND PAYMENT

- 5.1 The parties agree that the Services are provided on the terms and subject to the conditions set out or referred to in this Agreement, and that this Agreement shall take precedence over any terms and conditions which the Client has provided or may in the future provide to Intertek, whether in a purchase order or any other document.
- 5.2 Upon submission of samples or any other testing material or commencement of the Services, from the Client to Intertek shall be deemed to be conclusive evidence of the Client's acceptance of this Agreement.
- 5.3 The Client shall pay Intertek the charges as set out in any proposal or otherwise agreed in writing (the Charges).
- 5.4 If pricing factors, such as salaries and/or rates are subject to change between the conclusion date of the Contract and the completion date of the Contract, Intertek has the right to adjust the Charges accordingly.
- 5.5 The Charges are expressed exclusive of any applicable taxes. The Client shall pay any applicable taxes on the Charges at the rate and in the manner prescribed by law, within thirty (30) days of the issue by Intertek of a valid invoice.
- 5.6 The Client agrees that it will reimburse Intertek for any expenses incurred by Intertek relating to the provision of the Services and is wholly responsible for any freight or customs clearance fees relating to any testing samples.
- 5.7 The Charges represent the total fees to be paid by the Client for the Services pursuant to this Agreement. Any additional work performed by Intertek will be charged on a time and material basis.
- 5.8 Intertek will issue an electronic invoice to the Client each month as the Services progress. An electronic invoice may be sent by email and will be deemed to have been delivered to the Client upon receipt of such email. Intertek is under no obligation to fulfil any request by the Client for a paper copy to be sent by post. Any invoice sent by post will include a £25 administration fee and the paper invoice must be paid by the Client within the credit terms referred to in 5.5 above.
- 5.9 If Intertek believes that the Client's financial position and/or payment performance justifies such action, Intertek has the right to demand that the Client immediately pay the invoice or additional security in a form to be determined by Intertek and/or make an advance payment. If the Client fails to furnish the desired security, Intertek has the right, without prejudice to its other rights, to immediately suspend the further execution of all or any part of the Services, and any Charges for any part of the Services which has already been performed shall become immediately due and payable.
- 5.10 If the Client fails to pay within the period referred to in 5.5 above, it is in default of its payment obligations and this Agreement after having been reminded by Intertek at least once that payment is due within a reasonable period. In that case, the Client is liable to pay interest on the credit balance with effect from the date on which the payment became due until the date of payment. The interest rate applied is deemed to be the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate plus 5%. In addition, all collection costs incurred after the Client's default, both judicial and extrajudicial, are for the Client's account. The extrajudicial costs are set at an amount equal to least 10% of the principal plus interest, without prejudice to Intertek's right to collect the actual extrajudicial costs in excess of this amount. The judicial costs comprise all costs incurred by Intertek, even if they exceed the Vietcombank base rate.
- 5.11 If the Client objects to the contents of the invoice, details of the objection must be raised with Intertek within seven (7) days of receipt of electronic invoice. If the Client's objection will be deemed to have been accepted. Any such objections do not exempt the Client from its obligation to pay within the period referred to in 5.5 above.
- 5.12 Any request by the Client for certain information to be included in or appended to the invoice must be made at the time of setting out the Proposal. A later request by the Client for changes to the agreed form of the invoice or supplementary information will not discharge the Client from its obligation to pay within the period referred to in 5.5 above. Intertek reserves the right to charge a £25 administration fee per invoice for issuing additional copies of invoices or amending invoice detail, format or structure from that agreed in the Proposal. Intertek maintains the right to reject such an invoice amendment request and such a rejection by Intertek of the Client's request will not exempt the Client from its obligation to pay within the period referred to in 5.5 above.
- 5.13 If actions by the Client delay completion of the Services, Intertek has the right to invoice the Client for the cost of all Services provided to date. In such a scenario the Client agrees to pay this invoice within thirty (30) days of the invoice date.

This obligation shall survive termination or expiration of this Agreement.

- 12.7 Any termination or expiration of the Agreement shall not affect the accrued rights and obligations of the parties nor shall it affect any provision which is expressly or by implication intended to come into force or continue in force on or after such termination or expiration.

- 14.1 **Severability**
- 14.2 If any provision of this Agreement is or becomes invalid, illegal or unenforceable, such provision shall be severed and the remainder of the provisions shall continue in full force and effect as if this Agreement had been executed without the invalid illegal or unenforceable provision. - 16.1 Subject to Clause 10.4 above, the failure of any party to insist upon strict performance of any provision of this Agreement, or to exercise any right or remedy available to it under this Agreement, shall not constitute a waiver or shall not cause a diminution of the obligations established by this Agreement. A waiver of any breach shall not constitute a waiver of any subsequent breach.
- 16.2 No waiver of any right or remedy under this Agreement shall be effective unless it is expressly stated to be a waiver and communicated to the other party in writing.

17. Whole Agreement

- 17.1 This Agreement and the Proposal contain the whole agreement between the parties relating to the transactions contemplated by this Agreement and supersedes all previous agreements, arrangements and understandings between the parties relating to those transactions or that subject matter. - 2.3 The Services provided by Intertek under this Agreement and any Report shall be only for the Client's use and benefit.
- 2.4 The Client acknowledges and agrees that if in providing the Services Intertek is obliged to deliver a Report to a third party, Intertek shall be deemed irrevocably authorised to deliver such Report to the applicable third party. For the purposes of this clause an obligation shall arise on the instructions of the Client, or where, in the reasonable opinion of Intertek, it is implicit from the circumstances, trade, custom, usage or practice.

- 3.2 In the event of a breach of the warranty set out in Clause 3.1(b), Intertek shall, at its own expense, perform services of the type originally performed as may be reasonably required to correct any error in Intertek's performance.
- 3.3 Intertek makes no other warranties, express or implied. All other warranties, conditions and other terms implied by statute or common law (including implied warranties of merchantability and fitness for purpose) are, to the fullest extent permitted by law, excluded from this Agreement. No performance, deliverable, oral or other information or advice provided by Intertek (including its agents, sub-contractors, employees or other representatives) will create a warranty or otherwise increase the scope of any warranty provided.

- 4.1 The Client represents and warrants:
 - (a) that it has the power and authority to enter into this Agreement and procure the provision of the Services for itself;
 - (b) that it is securing the provision of the Services hereunder for its own account and not as an agent or broker, or in any other representative capacity, for any other person or entity;
 - (c) that any information, samples or other related documents it (or any of its agents or representatives) supplies to Intertek (including its agents, sub-contractors and employees) is, true, accurate, representative, complete and is not misleading in any respect. The Client further acknowledges that Intertek will rely on such information, samples or other related documents and materials provided by the Client (without any duty to confirm or verify the accuracy or completeness thereof) in order to provide the Services;
 - (d) that any samples provided to Intertek for testing or analysis shall be prepared and collected or disposed of by the Client (at the Client's cost) within thirty (30) days after testing unless alternative arrangements are made by the Client. In the event that such samples are not collected or disposed of by the Client within the required thirty (30) days period, Intertek reserves the right to destroy the samples, at the Client's cost; and
 - (e) that any information, samples or other related documents (including without limitation certificates and reports) provided by the Client to Intertek will not, in any circumstances, infringe any legal rights (including Intellectual Property Rights) of any third party.

 - (i) in the event of the issuance of a certificate, to inform and advise Intertek immediately of any changes during the term of the certificate which may have a material impact on the accuracy of this Agreement;
 - (j) to obtain and maintain all necessary licenses and consents in order to comply with relevant legislation and regulation in relation to the Services;
 - (k) that it will not use any Reports issued by Intertek pursuant to this Agreement in a misleading manner and that it will only distribute such Reports in the form in which they are provided;
 - (l) in no event, will the contents of any Reports or any extracts, excerpts or parts of any Reports be distributed or published without the prior written consent of Intertek (such consent not to be unreasonably withheld) in each instance; and
 - (m) that any and all advertising and promotional materials or any statements made by the Client will not give a false or misleading impression to any third party concerning the Services provided by Intertek.
- 4.4 Intertek shall be neither in breach of this Agreement nor liable to the Client for any breach of this Agreement if and to the extent that its breach is a direct result of a failure by the Client to comply with its obligations as set out in this Clause 4. The Client also acknowledges that the impact of any failure by the Client to perform its obligations set out herein on the provision of the Services by Intertek will not affect the Client's obligations under this Agreement for payment of the Charges pursuant to Clause 5 below.

5. CHARGES, INVOICING AND PAYMENT

- 5.1 The parties agree that the Services are provided on the terms and subject to the conditions set out or referred to in this Agreement, and that this Agreement shall take precedence over any terms and conditions which the Client has provided or may in the future provide to Intertek, whether in a purchase order or any other document.
- 5.2 Upon submission of samples or any other testing material or commencement of the Services, from the Client to Intertek shall be deemed to be conclusive evidence of the Client's acceptance of this Agreement.
- 5.3 The Client shall pay Intertek the charges as set out in any proposal or otherwise agreed in writing (the Charges).
- 5.4 If pricing factors, such as salaries and/or rates are subject to change between the conclusion date of the Contract and the completion date of the Contract, Intertek has the right to adjust the Charges accordingly.
- 5.5 The Charges are expressed exclusive of any applicable taxes. The Client shall pay any applicable taxes on the Charges at the rate and in the manner prescribed by law, within thirty (30) days of the issue by Intertek of a valid invoice.
- 5.6 The Client agrees that it will reimburse Intertek for any expenses incurred by Intertek relating to the provision of the Services and is wholly responsible for any freight or customs clearance fees relating to any testing samples.
- 5.7 The Charges (total fees to be paid by the Client for the Services pursuant to this Agreement. Any additional work performed by Intertek will be charged on a time and material basis).
- 5.8 Intertek will issue an electronic invoice to the Client each month as the Services progress. An electronic invoice may be sent by email and will be deemed to have been delivered to the Client upon receipt of such email. Intertek is under no obligation to fulfill any request by the Client for a paper copy to be sent post. Any invoice sent by post will include a £25 administration fee and the paper invoice must be paid by the Client within the credit terms referred to in 5.5 above.
- 5.9 If Intertek believes that the Client's financial position and/or payment performance justifies such action, Intertek has the right to demand that the Client immediately furnish security or additional security in a form to be determined by Intertek and/or make an advance payment. If the Client fails to furnish the security or additional security, Intertek has the right to immediately suspend the further execution of all or any part of the Services, and any Charges for any part of the Services which has already been performed shall become immediately due and payable.
- 5.10 If the Client fails to pay within the period referred to in 5.5 above, it is in default of its payment obligations and this Agreement after having been reminded by Intertek at least once that payment is due within a reasonable period. In that case, the Client is liable to pay interest on the credit balance with effect from the date on which the payment became due until the date of payment. The interest rate applied is deemed to be the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate plus 5%. In addition, all collection costs incurred after the Client's default, both judicial and extrajudicial, are for the Client's account. The right to judicial costs are set at an amount equal to least 10% of the principal plus interest, without prejudice to Intertek's right to collect the actual extrajudicial costs in excess of this amount. The judicial costs comprise all costs incurred by Intertek, even if they exceed the Vietcombank base rate.
- 5.11 If the Client objects to the contents of the invoice, details of the objection must be raised with Intertek within seven (7) days of receipt of electronic invoice, otherwise the invoice will be deemed to have been accepted. Any such objections do not exempt the Client from its obligation to pay within the period referred to in 5.5 above.
- 5.12 Any request by the Client for certain information to be included in or appended to the invoice must be made at the time of setting out the Proposal. A later request by the Client for changes to the agreed format of the invoice or supplementary information will not discharge the Client from its obligation to pay within the period referred to in 5.5 above. Intertek reserves the right to charge a £25 administration fee per invoice for issuing additional copies of invoices or amending invoice detail, format or structure from that agreed in the Proposal. Intertek maintains the right to reject such an invoicing amendment request and such a rejection by Intertek of the Client's request will not exempt the Client from its obligation to pay within the period referred to in 5.5 above.
- 5.13 If actions by the Client delay completion of the Services, Intertek has the right to invoice the Client for the cost of all Services provided to date. In such a scenario the Client agrees to pay this invoice within thirty (30) days of the invoice date.

6. INTELLECTUAL PROPERTY RIGHTS AND DATA PROTECTION

- 6.1 All Intellectual Property Rights belonging to a party prior to entry into this Agreement shall remain vested in that party.
- 6.2 Any use by the Client (or its Affiliates) of the name "Intertek" or any of Intertek's trademarks or brand names for any marketing, media or publication purposes must be approved in writing by Intertek. The Client shall have the right to use any such Reports, documents, graphs, charts, photographs or other material for the purposes of this Agreement.
- 6.5 The Client agrees and acknowledges that Intertek retains any and all proprietary rights in concepts, ideas and inventions that may arise during the preparation or provision of any Report (including any deliverables provided by Intertek to the Client) and the provision of the Services to the Client.
- 6.6 Both parties shall observe all statutory provisions with regard to data protection including but not limited to the provisions of the General Data Protection Regulation 2016/679 ("GDPR") and shall comply with all applicable requirements of the GDPR.

- 7.4 The Receiving Party may disclose Confidential Information of the Disclosing Party to the extent required by law, any regulatory authority or the rules of a stock exchange on which the Receiving Party is listed, provided that the Receiving Party has given the Disclosing Party prompt written notice of the requirement to disclose and where possible given the Disclosing Party a reasonable opportunity to prevent the disclosure through appropriate legal means.
- 7.5 Each party shall ensure the compliance by its employees, agents and representatives (which, in the case of Intertek, includes procuring the same from any subcontractors) with its obligations under this Clause 7.

Failure to give such notice of claim within ninety (90) days shall constitute a bar or irrevocable waiver to any claim, either directly or indirectly, in contract, tort or otherwise in connection with the provision of services under this agreement.

11. INDEMNITY

- 11.1 The Client shall indemnify and hold harmless Intertek, its officers, employees, agents, Affiliates, contractors and sub-contractors from and against any and all claims, suits, liabilities (including costs of litigation and attorney's fees) arising, directly or indirectly, out of or in connection with:

- 12.2 Intertek expressly disclaims any liability to the Client as an insurer or guarantor.
- 12.3 The Client acknowledges that although Intertek maintains employer's liability insurance, such insurance does not cover any employees of the Client or any third parties who may be involved in the provision of the Services. If the Services are to be performed at premises belonging to the Client or third parties, Intertek's employer's liability insurance does not provide cover for non-Intertek employees.

13. TERMINATION

- 13.1 This Agreement shall commence upon the first day on which the Services are commenced and shall continue, unless terminated earlier in accordance with this Clause 13, until the Services have been provided.
- 13.2 This Agreement may be terminated by:
 - (a) either party if the other continues in material breach of any obligation imposed upon it hereunder for more than thirty (30) days after written notice has been dispatched by that Party by recorded delivery or courier requesting the other to remedy such breach;
 - (b) either party if the other continues in material breach of any obligation imposed upon it hereunder for more than thirty (30) days after a further request for payment; or
 - (c) either party on written notice to the other in the event that the other makes any voluntary arrangement with its creditors or becomes subject to an administration order (or being an individual or other person) becomes bankrupt or (being a company) goes into liquidation (whether for the purposes of a solvent amalgamation or reconstruction) or an embarrasment takes possession, or a receiver is appointed, of any of the property or assets of the other or the other ceases, or threatens to cease, to carry on business.
- 13.3 In the event of termination of the Agreement for any reason and without prejudice to any other rights or remedies the parties may have, the Client shall pay Intertek for all Services performed up to the date of termination. This obligation shall survive termination or expiration of the Agreement.
- 13.4 Any termination or expiration of the Agreement shall not affect the accrued rights and obligations of the parties nor shall it affect any provision which is expressly or by implication intended to come into force or continue in force on or after such termination or expiration.

14. ASSIGNMENT AND SUB-CONTRACTING

- 14.1 Intertek reserves the right to delegate the performance of its obligations hereunder and the provision of the Services to one or more of its Affiliates and/or sub-contractors when necessary. Intertek may also assign this Agreement to any company within the Intertek group on the same terms to the Client.

15. GOVERNING LAW AND DISPUTE RESOLUTION

- 15.1 This Agreement and the Proposal shall be governed by Vietnam law. The parties agree to submit to the exclusive jurisdiction of the Vietnam Courts in respect of any dispute or claim arising out of or in connection with this Agreement (including any non-contractual claim relating to the provision of the Services in accordance with this Agreement).

16. MISCELLANEOUS

- 16.1 **Severability**
 - (a) If any provision of this Agreement is or becomes invalid, illegal or unenforceable, such provision shall be severed and the remainder of the provisions shall continue in full force and effect as if this Agreement had been executed without the invalid illegal or unenforceable provision. If the invalidity, illegality or unenforceability is so fundamental that it prevents the accomplishment of the purpose of this Agreement, Intertek and the Client shall immediately commence good faith negotiations to agree an alternative arrangement.
- 16.2 **No partnership or agency**
 - (a) Nothing in this Agreement and no action taken by the parties under this Agreement shall constitute a partnership, association, joint venture or other co-operative entity between the parties or constitute any party the partner, agent or legal representative of the other.
- 16.3 **Waivers**
 - (a) Subject to Clause 10.4 above, the failure of any party to insist upon strict performance of any provision of this Agreement, or to exercise any right or remedy to which it is entitled, shall not constitute a waiver and shall not cause a diminution of the obligations established by this Agreement. A party's failure to insist upon strict performance of any provision of this Agreement, or to exercise any right or remedy, shall not constitute a waiver of any subsequent breach.
- 16.4 No waiver of any right or remedy under this Agreement shall be effective unless it is expressly stated to be a waiver and communicated to the other party in writing.
- 16.5 **Whole Agreement**
 - (a) This Agreement and the Proposal contain the whole agreement between the parties relating to the transactions contemplated by this Agreement and supersede all previous agreements and understandings between the parties relating to those transactions or that subject matter. No purchase order, statement or other financial document will add to or vary the terms of this Agreement.
- 16.6 Each party acknowledges that in entering into this Agreement it has not relied on any representation, warranty, collateral contract or other assurance (except those set out or referred to in this Agreement) made by or on behalf of any other party before the acceptance or signature of this Agreement. Each party acknowledges that, but for this Clause, might otherwise be available to it in respect of any such representation, warranty, collateral contract or other assurance.
- 16.7 Nothing in this Agreement limits or excludes any liability for fraudulent misrepresentation.
- 16.8 **Third Party Rights**
 - (a) A person who is not party to this Agreement has no right under the Contract (Rights of Third Parties) Act 1999 to enforce any of its terms.
- 16.9 **Further Assurance**
 - (a) Each party shall at the cost and request of any other party, execute and deliver such instruments and documents and take such other actions in each case as may be reasonably requested from time to time in order to give full effect to its obligations under this Agreement.

2. THE SERVICES

- 2.1 Intertek shall provide the Services to the Client in accordance with the terms of this Agreement which is expressly incorporated into any Proposal Intertek has made and submitted to the Client.
- 2.2 In the event of any inconsistency between the terms of this Agreement and the Proposal, the terms of the Proposal shall take precedence.
- 2.3 The Services provided by Intertek under this Agreement and any Report shall be only for the Client's use and benefit.
- 2.4 The Client acknowledges and agrees that if in providing the Services Intertek is obliged to deliver a Report to a third party, Intertek shall be deemed irrevocably authorised to deliver such Report to the applicable third party. For the purposes of this clause an obligation shall arise on the instructions of the Client, or where, in the reasonable opinion of Intertek, it is implicit from the circumstances, trade, custom, usage or practice.

- 2.5 The Client acknowledges and agrees that any Service provided and/or Reports produced by Intertek are done so within the limits of the scope of work agreed with the Client in relation to the Proposal and pursuant to the Client's specific instructions or, in the absence of such instructions, in accordance with any relevant trade custom, usage or practice. 3. INTERTEK'S WARRANTIES

- 3.1 Intertek warrants exclusively to the Client:
 - (a) that it has the power and authority to enter into this Agreement and that it will comply with relevant legislations and regulations in force as at the date of this Agreement in relation to the provision of the Services;

 - (d) that the Reports produced in relation to the Services will not infringe any legal rights (including Intellectual Property Rights) of any third party. This warranty shall not apply where the infringement is directly or indirectly caused by Intertek's reliance on any information, samples or other related documents provided to Intertek by the Client (or any of its agents or representatives).
- 3.2 In the event of a breach of the warranty set out in Clause 3.1(b), Intertek shall, at its own expense, perform services of the type originally performed as may be reasonably required to correct any defect in Intertek's performance.
- 3.3 Intertek makes no other warranties, express or implied. All other warranties, conditions and other terms implied by statute or common law (including but not limited to any implied warranties of merchantability and fitness for purpose) are, to the fullest extent permitted by law, excluded from this Agreement. No performance, deliverable, oral or other information or advice provided by Intertek (including its agents, sub-contractors, employees or other representatives) will create a warranty or otherwise increase the scope of any warranty provided.

4. CLIENT WARRANTIES AND OBLIGATIONS

- 4.1 The Client represents and warrants:
 - (a) that it has the power and authority to enter into this Agreement and procure the provision of the Services for itself;
 - (b) that it is securing the provision of the Services hereunder for its own account and not as agent or broker, or in any other representative capacity, for any other person or entity;
 - (c) that any information, samples and/or related documents it (or any of its agents or representatives) supplies to Intertek (including its agents, sub-contractors and employees) is, true, accurate, representative, complete and is not misleading in any respect. The Client further acknowledges that Intertek will rely on such information, samples or other related documents and materials provided by the Client (without any duty to confirm or verify the accuracy or completeness thereof) in order to provide the Services;
 - (d) that any samples provided by the Client to Intertek will be shipped pre-paid and will be collected or disposed of by the Client (at the Client's cost) within thirty (30) days after testing unless alternative arrangements are made by the Client. In the event that such samples are not collected or disposed of by the Client within the required thirty (30) days period, Intertek reserves the right to destroy the samples, at the Client's cost; and
 - (e) that any information, samples or other related documents (including without limitation certificates and reports) provided by the Client to Intertek will not, in any circumstances, infringe any legal rights (including Intellectual Property Rights) of any third party.

The Client acknowledges that any samples provided may become damaged or be destroyed in the course of testing as part of the necessary testing process and undertakes to hold Intertek harmless from any and all responsibility for such alteration, damage or destruction;
 - (c) that it is responsible for providing the samples/equipment to be tested together, where appropriate, with any specified additional items, including but not limited to connecting pieces, fuse-links, etc;
 - (d) to provide instructions to Intertek in a timely manner;
 - (e) to provide Intertek (including its agents, sub-contractors and employees) with access to its premises as may be reasonably required for the provision of the Services and to any other relevant premises at which the Services are to be provided;
 - (f) prior to Intertek attending any premises for the performance of the Services, to inform Intertek of all applicable health and safety rules and regulations and other reasonable security requirements that may apply at any relevant premises at which the Services are to be provided;

 - (i) in the event of the issuance of a certificate, to inform and advise Intertek immediately of any changes during the term of the certificate which may have a material impact on the accuracy of the certificate;
 - (j) to obtain and maintain all necessary licenses and consents in order to comply with relevant legislation and regulation in relation to the Services;
 - (k) that it will not use any Reports issued by Intertek pursuant to this Agreement in a misleading manner and that it will only distribute such Reports in their entirety;
 - (l) in no event, will the contents of any Reports or any extracts, excerpts or parts of any Reports be distributed or published without the prior written consent of Intertek (such consent not to be unreasonably withheld) in each instance; and
 - (m) that any and all advertising and promotional materials or any statements made by the Client will not give a false or misleading impression to any third party concerning the services provided by Intertek.
- 4.4 Intertek shall be entitled to bring this Agreement to an end if the Client fails to comply with its obligations as set out in this Clause 4. The Client also acknowledges that the impact of any failure by the Client to perform its obligations set out herein on the provision of the Services by Intertek will not affect the Client's obligations under this Agreement for payment of the Charges pursuant to Clause 5 below.

5. CHARGES, INVOICING AND PAYMENT

- 5.1 The parties agree that the Services are provided on the terms and subject to the conditions set out or referred to in this Agreement, and that this Agreement shall take precedence over any terms and conditions which the Client has provided or may in the future provide to Intertek, whether in a purchase order or any other document.
- 5.2 Upon submission of samples or any other testing material or commencement of the Services, from the Client to Intertek shall be deemed to be conclusive evidence of the Client's acceptance of this Agreement.
- 5.3 The Client shall pay Intertek the charges as set out in any proposal or otherwise agreed in writing (the Charges).
- 5.4 If pricing factors, such as salaries and/or rates are subject to change between the conclusion date of the Contract and the completion date of the Contract, Intertek has the right to adjust the Charges accordingly.
- 5.5 The Charges are exclusive of any applicable taxes. The Client shall pay any applicable taxes on the Charges at the rate and in the manner prescribed by law, within thirty (30) days of the issue by Intertek of a valid invoice.
- 5.6 The Client agrees that it will reimburse Intertek for any expenses incurred by Intertek relating to the provision of the Services and is wholly responsible for any freight or customs clearance fees relating to any testing samples.
- 5.7 The Charges represent the total fees to be paid by the Client for the Services pursuant to this Agreement. Any additional work performed by Intertek will be charged on a time and material basis.
- 5.8 Intertek will issue an electronic invoice to the Client each month as the Services progress. An electronic invoice may be sent by email and will be deemed to have been delivered to the Client upon receipt of such email. Intertek is under no obligation to fulfil any request by the Client for a paper copy to be sent by post. Any invoice sent by post will include a £25 administration fee and the paper invoice must be paid by the Client within the credit terms referred to in 5.5 above.
- 5.9 If Intertek believes that the Client's financial position and/or payment performance justifies such action, Intertek has the right to demand that the Client immediately furnish security or additional security in a form to be determined by Intertek and/or make an advance payment. If the Client fails to do so, Intertek reserves the right to suspend the Services and to suspend the further execution of all or any part of the Services, and any Charges for any part of the Services which has already been performed shall become immediately due and payable.
- 5.10 If the Client fails to pay within the period referred to in 5.5 above, it is in default of its payment obligations and this Agreement after having been reminded by Intertek at least once that payment is due within a reasonable period. In that case, the Client is liable to pay interest on the credit balance with effect from the date on which the payment became due until the date of payment. The interest rate applied is deemed to be the Joint Stock Commercial Bank for Foreign Trade of Vietnam (Vietcombank) base rate plus 5%. In addition, all collection costs incurred after the Client's default, including the cost of the Client's solicitor, are at the Client's cost. The total costs are at an amount equal to least 10% of the principal plus interest, without prejudice to Intertek's right to collect the actual extrajudicial costs in excess of this amount. The judicial costs comprise all costs incurred by Intertek, even if they exceed the Vietcombank base rate.
- 5.11 If the Client objects to the contents of the invoice, details of the objection must be raised with Intertek within seven (7) days of receipt of electronic invoice and will be deemed to have been accepted. Any such objections do not exempt the Client from its obligation to pay within the period referred to in 5.5 above.
- 5.12 Any request by the Client for certain information to be included in or appended to the invoice must be made at the time of setting out the Proposal. A later request by the Client for changes to the agreed format of the invoice or supplementary information will not discharge the Client from its obligation to pay the invoice referred to in 5.9 above. Intertek reserves the right to charge a £25 administration fee per invoice for issuing additional copies of invoices or amending invoice detail, format or structure from that agreed in the Proposal. Intertek maintains the right to reject such an invoicing amendment request and such a rejection by Intertek of the Client's request will not exempt the Client from its obligation to pay within the period referred to in 5.5 above.
- 5.13 If actions by the Client delay completion of the services, Intertek has the right to invoice the Client for the cost of all Services provided to date. In such a scenario the Client agrees to pay this invoice within thirty (30) days of the invoice date.

6. INTELLECTUAL PROPERTY RIGHTS AND DATA PROTECTION

- 6.1 All Intellectual Property Rights belonging to a party prior to entry into this Agreement shall remain vested in that party.
- 6.2 Any use by the Client (or its Affiliates) of the name "Intertek" or any of Intertek's trademarks or brand names for any marketing, media or publication purposes must be prior approved in writing by Intertek. - 6.4 All Intellectual Property Rights in any Reports, document, graphs, charts, photographs or any other material (in whatever medium) produced by Intertek pursuant to this Agreement shall belong to Intertek.
